

Department:	Development and Commercial Services	Section:	FIGAS
Reports to:	Maintenance Manager		
Grade:	Falkland Islands Government Grade -	Job Code:	102LE1
Overall Purpose of the Role			
To provide a safe and efficient standard of aircraft maintenance in accordance with the approved maintenance programme, taking into account Safety Management Systems and health and safety procedures.			
Key Role Activities			
<ul style="list-style-type: none"> • Carry out daily inspections of the aircraft and associated equipment as tasked to ensure that they meet the requisite safety standards; • Carry out, as required, routine maintenance, modifications and out-of-phase inspections in accordance with the approved Maintenance Programme and as directed by management; • Record promptly, in the appropriate documentation, all work undertaken in conjunction with the routine and remedial maintenance of those aircraft maintained by the Falkland Island Government Air Service; • Contribute to the 'on the job' training of apprentices/trainees; • Assist, where required, with tasks nominated by the Maintenance Manager or his subordinates; • Be proactive in complying with the requirements of the Falklands Aviation Safety Management System (FASMS) and relevant operating manuals and producers at all times. <p><i>The job description is not an exclusive or exhaustive definition of your duties. You shall undertake such additional or other duties as may reasonably be required by FIG commensurate with your role and grade.</i></p>			
Additional Information			
<ul style="list-style-type: none"> • Shift working, including weekends and public holidays, is required. • Limited overtime is also required to meet operational demands • Requirement to ensure the highest standards of quality and workmanship in accomplishing tasks undertaken. • Requirement to take part in an out of hours on-call rota for emergency medical flight calls 			

Criminal Record Checks: (This post is regarded as a sensitive post)

All applicants for Government posts will be asked to disclose convictions upon application. Criminal records will only be considered for recruitment purposes when the conviction record is relevant. Having an 'unspent' conviction will not necessarily bar a candidate from employment. This will depend on the circumstances and background to the offence(s).

Any information given will be completely treated as confidential and will be considered only in relation to the post to which the application refers.

Failure by a candidate to reveal information that is directly relevant to the post applied for could lead to the withdrawal of an offer of employment.

Person Specification:	Licensed Aircraft Engineer		
Criteria	Essential	Desirable	Assessment Method
