

# FALKLAND ISLANDS GOVERNMENT

## NOTICE TO MARINERS

**N° 07/2023**

Berkeley Sound (East Falklands)

### **Acoustic Wildlife Monitoring Devices**

Acoustic wildlife monitoring devices have been established in Berkeley Sound in the following position:

Position: **51°35.41'S 057°48.00'W**

The device is sub-surface floating 3m above the Seabed and unmarked. It is not expected to cause a hazard to navigation.

Vessels are requested to give the devices a wide berth and not to approach or anchor within 500m of the noted positions.

Previous Notice to Mariners 02/2023 is hereby cancelled. This Notice shall remain in force until further notice.

**Nomali Port**  
**Deputy Harbour Master**
