

# FALKLAND ISLANDS GOVERNMENT

## NOTICE TO MARINERS

**Nº 02/2024**

Steeple Jason Island (West Falklands)

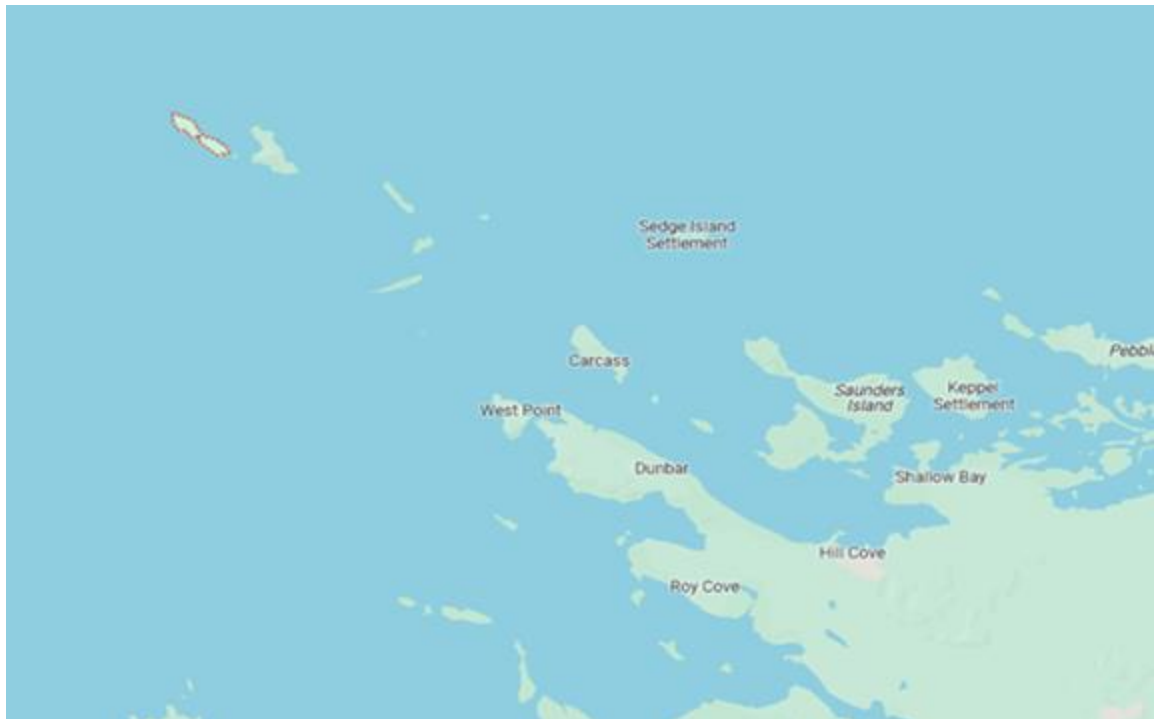

### **Avian Influenza (Bird Flu) case**

Steeple Jason Island declared as an Infected place due to an outbreak of Avian Influenza – review keeps declaration in place.

This decision has resulted in a number of actions which will need to be taken as follows:

- No unauthorised people are to be on Steeple Jason Island, visit the Island or transit through the Island while the declaration is in force.
  - All unauthorised people are to be removed from Steeple Jason Island as soon as reasonably practicable. – there shouldn't be any there!
  - All persons removed from Steeple Jason Island are to be transported straight to Stanley – probably not necessary they can go wherever as long as enhanced biosecurity – enhanced biosecurity measures apply before and after travel.
  - Landing only permitted in case of a medical emergency

These measures are to remain in place until otherwise advised.

This Notice shall remain in force until further notice.
