Colony of the Falkland Islands

DAVID EVERARD TATHAM, C.M.G.,
Governor.

The Offshore Minerals Ordinance 1994

(No: 16 of 1994)

To repeal the Continental Shelf Ordinance 1991; to replace it so as to make further and better provision for the exploration and exploitation of minerals in the Continental Shelf and other controlled waters of the Falkland Islands and for matters connected with or relating to the foregoing matters.

(assented to: 23rd November 1994)

(commencement: in accordance with section 1)

(published: 9th December 1994)

ENACTED by the Legislature of the Falkland Islands as follows -

PART I

INTRODUCTORY

Short title, Commencement and Interpretation

1.(1) This Ordinance may be cited as the Offshore Minerals Ordinance 1994.

*Short title and
commencement.*

(2) This Ordinance shall come into force on such day as the Governor may appoint by notice published in the Gazette.

(3) The Governor may exercise his powers under subsection (2) so as to appoint, by one or more notices so published, differing days for the coming into force of different provisions of this Ordinance.

(4) Any reference in any provision of this Ordinance to the coming into force of this Ordinance shall be construed as a reference to the day appointed under this section for the coming into force of that provision.

2.(1) In this Ordinance, unless the context otherwise requires -

Interpretation.

"clauses of the licence" has the meaning given by section 7(3);

"company" includes any body corporate;

"concession owner" has the meaning given by subsection (2) of this section;

"the continental shelf" has the meaning ascribed to that phrase for the purposes of international law in the first recital to Proclamation No.1 of 1991;

"contravene" includes a failure to comply;

"controlled pipe-line" has the meaning given by section 38(1);

"controlled waters" means any or all of the following -

- (a) tidal waters and parts of the sea in or adjacent to the Falkland Islands up to the seaward limits of the territorial sea;
- (b) any designated area of the continental shelf; and
- (c) such inland waters as may be prescribed for the purposes of this paragraph by Order made by the Governor;

"designated area" has the same meaning as it has in Proclamation No. 1 of 1991;

"director" includes -

- (a) any person who occupies in relation to a company the position of director, by whatever name called;
- (b) a shadow director;
- (c) in the case of a body corporate incorporated other than in the Falkland Islands or under the laws of the Falkland Islands, any person, including a member of a managing board or committee, (however the managing board or committee is described) who occupies in relation to the body corporate a position analogous to that of a director of a company incorporated under the laws of the Falkland Islands; and
- (d) where the affairs of a body corporate, whether incorporated in the Falkland Islands or under the laws of the Falkland Islands or not, are managed by the members of the body corporate, in relation to such management (but not otherwise) any of its members engaged in managing its affairs;

and "shadow director", for the purposes of paragraph (b) of this definition means any person in accordance with whose directions or instructions the directors of a body corporate are accustomed to act;

"document" includes information recorded in any form and, in relation to any information recorded otherwise than in legible form, any reference in this Ordinance to its production includes reference to producing a copy of the document in legible form;

"enactment" -

(a) in relation to any Act or statutory instrument of the United Kingdom, includes every provision of such an Act or such statutory instrument; and

(b) in relation to any Ordinance or subsidiary legislation of the Falkland Islands, includes every provision of such an Ordinance or such subsidiary legislation;

"exploit", in relation to any mineral, means to do anything which, by virtue of this Ordinance, can only lawfully be done under the authority of, and in accordance with the conditions of, a production licence, and "exploitation" has a corresponding meaning;

"exploration licence" means a licence granted under section 6 authorising the holder to search for a mineral or minerals;

"explore", in relation to any mineral, means to search or explore for any mineral and without prejudice to the generality of the foregoing, includes -

(a) field observations, geological and geophysical investigations and the use of remote sensing techniques;

(b) the obtaining of any sample; and

(c) any other operation which may be authorised by an exploration licence and which is not, in relation to any mineral, the exploitation of that mineral;

"Governor" means the Governor or other officer for the time being administering the Government of the Falkland Islands acting after consultation with the Executive Council except in any case where the Constitution authorises or requires him to act otherwise than after such consultation where it shall mean the Governor acting in his discretion;

"the inland waters" means waters within the Falkland Islands other than tidal waters and parts of the sea;

"inspector" means an inspector appointed under section 29 of this Ordinance;

"installation" includes -

(a) any floating structure or device maintained on a station by whatever means; and

(b) in such cases and subject to such exceptions as may be prescribed by Order, any apparatus or works which are by virtue of section 38(1) to be treated as associated with a pipe or a system of pipes for the purposes of Part IV of this Ordinance,

but subject to paragraph (b) of this definition, does not include any part of a pipe-line within the meaning of that definition;

"installation manager" has the meaning given by section 25(3);

"licensee" means any person -

(a) to whom a licence under this Ordinance has been granted; or

(b) to whom a licence was granted under section 4 of the repealed Ordinance where that licence continues to have effect as if it had been granted under section 6 of this Ordinance;

"mineral" means any substance, other than water, and whether that substance is in solid, liquid or gaseous form, formed by or subject to geological process and being in or on the seabed of or in the subsoil of the controlled waters;

"offshore installation" means any installation which is or has been maintained, or is intended to be established, for the carrying on of a relevant offshore activity;

"Order" means any Order made under any provision of this Ordinance;

"model clauses" and "the model clauses" mean a model clause or model clauses prescribed by regulations made under section 7;

"this Ordinance" means this ordinance as from time to time amended and includes a reference to any subsidiary legislation made under this Ordinance;

"notice" means notice in writing;

"owner", in relation to an offshore installation means the person who has registered the installation pursuant to regulations requiring such registration, or if there is no such person, or if no such regulations have for the time being been made or have effect, the person for the time being having the management of the installation, or of its main structure;

"person" includes a body corporate, an unincorporated body of persons and a partnership;

"personal injury" includes any disease and any impairment of a person's physical or mental condition and any fatal injury;

"petroleum" includes any mineral oil or relative hydrocarbon and natural gas existing in its natural condition in any strata, but does not include coal or bituminous shales or other stratified deposits from which oil can be extracted by destructive distillation;

"pipe-line" and "pipe-line works" have the meaning given by section 38(1);

"prescribed" means prescribed by regulations under this Ordinance;

"regulations" means regulations made under any provision of this Ordinance;

"relevant offshore activity" means any of the following activities which is carried on from, by means of or on an installation which is maintained in the water -

- (a) the exploration for or exploitation of minerals in the bed of or in the subsoil of the controlled waters;
- (b) the storage of gas in the bed or subsoil of the controlled waters or in any structure affixed to the bed or subsoil of the controlled water or in the subsoil of the controlled waters;
- (c) the conveyance of things by means of a pipe or system of pipes, constructed or placed on, in or under the bed of or in the subsoil of the controlled waters;
- (d) the provision of accommodation for persons who work in on or from an installation which is or has been maintained or is intended to be established for the purpose of the carrying on an activity falling within paragraph (a), (b) or (c) or this paragraph;

except that an activity which would otherwise be a "relevant offshore activity" by reason of paragraphs (a), (b), (c), or (d) of this definition is not such an activity to the extent that it is an activity carried on from an installation which is connected with dry land by a permanent structure providing access at all times and for all purposes and that the provisions of subsection (3) shall have effect for the purpose of the application of this definition;

"the repealed Ordinance" means the Continental Shelf Ordinance 1991;

"Secretary of State" means Her Majesty's Secretary of State for Foreign and Commonwealth Affairs;

"statutory instrument" has the same meaning as it has for the purposes of the Statutory Instruments Act 1946; and

"subsidiary legislation" means any Order or regulation made under this or any other Ordinance.

(2) Subject to subsection (3), a person who whether as a licensee or otherwise, has the right to exploit any mineral in any area, or to store gas in any area and to recover gas so stored, shall be a "concession owner" for the purposes of this Ordinance in relation to any offshore installation if, at that time, he carries on any relevant offshore activity on, by means of or from that installation.

(3) The fact that an installation has been maintained for the carrying on of an activity falling within the definition of "relevant offshore activity" in subsection (1) shall be disregarded if, since it was last so maintained the installation -

- (a) has been outside controlled waters; or
- (b) has been maintained for the carrying on of any activity which does not fall within that definition;

(4) Except where the context otherwise requires, any reference in this Ordinance to an enactment, whether of the Falkland Islands or of the United Kingdom, shall include a reference to -

(a) any enactment for the time being replacing that enactment, and whether by way of re-enactment or otherwise; and

(b) any enactment for the time being amending or modifying that enactment

(5) Subject to this Ordinance, Part XI of the Interpretation and General Clauses Ordinance 1977 ("the 1977 Ordinance") shall, subject to the provisions of subsection (1), apply in relation to enactments of the United Kingdom applied as law of the Falkland Islands by any provision of this Ordinance as it does in relation to imperial enactments (within the meaning given to "imperial enactments" by section 3(1) of the 1977 Ordinance) which have been applied or adopted as law of the Falkland Islands.

(6) Where any word or expression is defined in subsection (1), that definition shall extend to the grammatical variations and cognate expressions of that word or expression.

(7) In this Ordinance

(a) words and expressions used in the masculine gender include the female gender and the neuter gender;

(b) words and expressions used in the neuter gender include the masculine gender and the female gender; and

(c) words and expressions used in the singular include the plural and vice versa.

(8) Subject to this Ordinance, the Interpretation and General Clauses Ordinance 1977 applies in relation to this Ordinance and to expressions used in this Ordinance.

PART II

EXPLORATION FOR AND EXPLOITATION OF MINERALS

Prohibition of exploration for or exploitation of minerals

3.(1) It is unlawful for any person to explore for or exploit any mineral in the controlled waters or in the sea-bed or subsoil thereof unless he does so under and in accordance with the terms and conditions of a licence granted under this Ordinance or having effect as if granted under this Ordinance

Prohibition of exploration for and exploitation of minerals in the controlled waters.

(2) This section does not bind the Crown.

4.(1) A licence granted under section 4 of the repealed Ordinance shall with effect from the commencement of this Ordinance have effect as if it were as an exploration licence granted under section 6 of this Ordinance upon the same terms and conditions as it was granted.

Licences granted under repealed Ordinance to have effect as if granted under this Ordinance.

(2) In subsection (1), the reference to the terms and conditions of a licence includes a reference to any model clauses incorporated in that licence by virtue of the provisions of the Petroleum Survey (Model Clauses) Regulations 1992.

S.R. & O. No.25 of 1992.

Application for and grant of licences

5.(1) For the purposes of this Ordinance there shall in relation to the exploration for and exploitation of minerals be the following kinds of licences -

Kinds of licences.

(a) exploration licences; and

(b) production licences.

(2) An exploration licence shall authorise the licensee in accordance with its terms, to search for the mineral or minerals specified therein in the sea-bed and subsoil of or under the area or areas of the controlled waters specified in the licence but shall not authorise the licensee, unless the contrary is stated in the licence -

(a) to bore for any mineral in the course of exploration; or

(b) to get any mineral in the course of exploration,

and, in any case, an exploration licence shall not authorise the licensee to get any mineral in any greater quantity or for any purpose other than is incidental to exploration for that mineral.

(3) A production licence shall authorise the licensee in accordance with its terms to search and bore for, and get, the mineral or minerals specified in the licence in the sea-bed and subsoil under the area or areas of the controlled waters specified in the licence.

6.(1) Subject to this Ordinance, and with the consent of the Secretary of State, the Governor may on behalf of Her Majesty, grant to any person a licence of a kind provided for by section 5(1) of this Part in respect of the whole or part of the area to which that person's application for that kind of licence relates.

Grant of licences.

(2) Any such licence shall be granted for such consideration as the Governor with the consent of the Secretary of State may determine, and upon such other terms and conditions as the Governor, with the approval of the Secretary of State, sees fit to grant the licence.

(3) The Governor shall, as soon as may be after granting a licence under this section, publish notice of the fact in the Gazette stating the name of the licensee and the situation of the area in respect of which the licence has been granted.

7.(1) The Governor shall, before granting any licence under section 6 in respect of any mineral, under this section make regulations approved by the Secretary of State in relation to that mineral prescribing -

*Model clauses
regulations to be made.*

*(24 & 25 Geo 5,
c.36 s.6).*

(a) the manner in which and the persons by whom applications for licences under that section may be made;

(b) the fees to be paid on such applications;

(c) the conditions as to the size and shape of areas in respect of which licences may be granted;

(d) model clauses which shall, unless he, with the approval of the Secretary of State sees fit to exclude them in any particular case, be incorporated in any such licence,

and different regulations may be made under this section -

(i) for different kinds of licence, or

(ii) different kinds of mineral.

(2) Regulations made under this section shall not be revoked amended or replaced without the consent of the Secretary of State.

(3) A reference in this Ordinance to "the clauses of the licence" is a reference to the model clauses incorporated in a licence pursuant to regulations made under this section together with any conditions imposed, in addition to any such model clauses, on the grant of the licence or otherwise in accordance with this Ordinance.

8. Notwithstanding the definition of "mineral" in section 2(1), all minerals falling within the definition of "petroleum" in section 2(1) shall for all purposes of sections 6, and 7 be treated as if they were a single mineral.

Petroleum to be a single mineral for the purposes of sections 6 and 7.

9.(1) It shall be the general duty of the Governor in the exercise of his powers -

General duty of the Governor in relation to licensing powers. Power to alter conditions of licence.

(a) under section 6, to grant licences;

(b) under section 7, to make regulations prescribing model clauses; and

(c) otherwise under this Ordinance,

(cf 1964, c.29, s.1(6) applying 8 & 9 Geo.6, c.19, s.1(1)).

to secure the effective and co-ordinated development of petroleum and other minerals in the sea-bed and subsoil of the controlled waters, but nothing in this subsection shall be construed as placing upon the Governor any obligation to grant any licence under section 6 to any person.

(2) The Governor may, with the approval of the Secretary of State and with the consent of the licensee, amend, vary, add to or augment the conditions of a licence he has granted under section 6.

10. Any person who -

Offences in relation to licences for exploration for or exploitation of minerals.

(a) explores for or exploits any mineral in the controlled waters when he is not authorised by a licence issued under, or having effect as if issued under section 6 of this Ordinance to do so;

(b) for the purpose of obtaining such a licence (for himself or for another) knowingly or recklessly makes a statement which is false in a material particular; or

(c) fails to comply with such provisions of any regulations as may be prescribed for the purposes of this section;

commits an offence and is liable on conviction of that offence to a fine without limit.

(2) In any proceedings for an offence under paragraph (a) or (c) of subsection (1), it shall be a defence for the accused to prove that he took all reasonable precautions to avoid the commission of the offence.

11.(1) Subject to this section no person shall, without the consent in writing of the Governor -

Requirement of consent for certain works in controlled waters.

(a) deposit any object or material on the sea-bed of the controlled waters;

(b) construct, alter or improve any works on, under or over any part of the controlled waters; or

(c) remove any object or materials from the sea-bed or subsoil of the controlled waters,

(cf 1964 c.29 s.4 applying provisions of Geo.6, 12, 13 & 14).

if the operation (whether while being carried out or subsequently) causes or is likely to result in an obstruction or danger to navigation.

(2) Subsection (1) -

(a) does not apply where the person carries out the operation pursuant to a consent granted by or pursuant to the clauses of a licence granted under section 6;

(b) does not apply to the construction, alteration or improvement of any works more than fifty feet below the surface of the sea in connection with the getting of minerals; and

(c) has effect without prejudice to the provisions of this Ordinance relating to submarine pipe-lines or the abandonment of installations (but no consent under subsection (1) is required where the consent in writing of the Governor has been obtained pursuant to any such provisions).

(3) The Governor may, as a condition of considering an application for consent under this section, require to be furnished with such plans and particulars of the proposed operation as he considers necessary; and on receipt of any such application he may -

(a) cause notice of the application to be published, and of the time within which and the manner in which objections thereto may be made, to be published in such manner as he may consider appropriate for informing persons affected thereby, and

(b) before granting his consent, may, if he thinks fit, appoint a Commission of Inquiry to enquire into the matter under the provisions of the Commissions of Inquiry Ordinance and report to him thereon and shall take such report into account in determining whether or not to consent to the proposed operation and, if he decides to consent to it, upon what conditions, if any.

*(Cap. 12 Laws of
the Falkland Islands
(1950 Edition)).*

(4) If the Governor (and, if appropriate, after taking into account any report made to him pursuant to subsection (3)), considers that any operation in respect of which his consent is required under this section will cause or is likely to result in obstruction or danger to navigation he shall either -

(a) refuse his consent; or

(b) grant his consent subject to such conditions as he thinks fit, having regard to the nature and extent of the obstruction or danger which appears to him would otherwise be caused or be likely to result.

(5) A consent of the Governor under this section may be given so as to continue in force, unless renewed, only if the operation for which consent is given is begun or completed within such period as may be specified in the consent, and any renewal of such consent may be limited in a similar manner, and any condition subject to which the Governor has given his consent -

(a) shall subject to paragraph (d), either remain in force for a specified period or remain in force without limit of time;

(b) shall (in addition to binding the person to whom the consent is given) bind, so far as is appropriate, any other person who for the time being owns, occupies or enjoys any works to which the consent relates;

(c) may, if the condition related -

(i) to the provision of lights, signals or other aids to navigation, or

(ii) to the stationing of guard ships in the vicinity of the works in question or the taking of any other measures for the purpose of, or in connection with, controlling the movement of ships in the vicinity of those works,

be varied by the Governor in the interests of the safety of navigation (whether or not the operation has been completed) in such manner as he thinks fit for the purpose of enhancing the effectiveness of any such aids or measures as are mentioned in subparagraph (i) or (ii) of this paragraph; and

(d) may, if the Governor thinks fit, be varied or discharged by him.

12.(1) Where at any time after the Governor has given his consent for an operation falling within section 11(1) ("the relevant consent"), it appears to him -

*Supplementary
to section 11.*

(a) that any danger to navigation has arisen by reason of -

*(12, 13 & 14 Geo 6,
c.74 s.36A).*

(i) any substantial damage to any works to which that consent relates; or

(ii) any other substantial and unforeseen change in the state or position of any such works, and

(b) that it is urgently necessary to do so in the interests of safety or navigation,

he may, by notice served on the person to whom the consent was given, impose on that person such requirements as he thinks fit with respect to any of the matters referred to in subsection (2) of this section.

(2) Those matters are -

(a) the provision on, or in the vicinity of, the works in question of any lights, signals or other aids to navigation, and

(b) the stationing of guard ships in the vicinity of those works.

(3) Where the person on whom a notice is served under subsection (1) of this section fails to comply with any requirements of the notice within 24 hours beginning with the time when it is served on him or as soon after that period as is reasonably practicable, the Governor may make such arrangements as he thinks fit for the purpose of securing that those requirements are implemented.

(4) Where under subsection (3) of this section the Governor makes any such arrangements, he shall be entitled to recover the cost, as certified by the Financial Secretary, of making those arrangements from such one or more of -

(a) the person to whom the relevant consent was given, and

(b) any other person who is, in accordance with section 11 (5) (b), bound by any condition subject to which that consent was given,

as he thinks fit.

(5) Once the requirements of a notice under subsection (1) of this section have been complied with by the person on whom it was served, or implemented in accordance with arrangements made by the Governor under subsection (3) of this section, those requirements shall, subject to subsection (6) of this section, be treated as conditions subject to which the relevant consent was given.

(6) Paragraphs (a) and (d) of section 11(5) shall not apply to such requirements; but if it appears to the Governor (whether on the application of any person or otherwise) that the circumstances giving rise to the urgent necessity for the imposition of the requirements no longer exist, he shall revoke them by notice served on the person to whom the relevant consent was given.

(7) Where the Governor has served a notice under subsection (1) of this section in respect of any particular circumstances, subsection (5) of this section shall not preclude him from serving a further notice under subsection (1) of this section in respect of those circumstances.

(8) A notice may be served by the Governor under subsection (1) of this section whether or not -

(a) the operation in question has been completed, or

(b) any condition was imposed by him, on giving the relevant consent, with respect to any of the matters referred to in subsection (2) of this section.

Offences.

13.(1) Any person who -

(a) carries out any operation in contravention of section 11(1), or

(b) fails to comply with any condition subject to which any consent of the Governor has been given under that section,

commits an offence and is liable on conviction of that offence to a fine without limit.

(2) Where a person is bound by any condition subject to which any such consent has been given under that section but is not the person to whom the consent was given, then, for the purposes of subsection (1) of this section, he shall not be taken to have failed to comply with the conditions unless -

(a) he has been served by the Governor with a notice requiring him to comply with the condition within such period (not being less than thirty days) as may be specified in the notice; and

(b) he has failed to comply with the conditions within that period.

(3) Without prejudice to any proceeding under subsection (1) or (2), where any person has, in contravention of section 11 -

(a) deposited any object or material on the sea-bed of the controlled waters, or

(b) constructed, altered or improved any works in the controlled waters; or

(c) failed to comply with any condition subject to which any consent of the Governor has been given under section 11,

the Governor may serve a notice on that person requiring him, within such period (not being less than thirty days) as may be specified in the notice, to remove the works or to make such alterations therein as may be so specified or to remove the object or materials, as the case may be, or, if it appears to the Governor urgently necessary to do so, may himself remove or alter the works or remove the object or materials.

(4) If within the period specified in any notice under subsection (3) the person served fails to comply with it, the Governor may himself remove or alter the works or remove the object or materials specified in the notice.

(5) Where under either subsection (3) or (4) the Governor removes or alters any works or removes any object or materials, he shall be entitled to recover the cost, as certified by the Financial Secretary, from the person by whom the works were constructed, altered or improved, or the object or materials was or were deposited.

Environmental protection

14.(1) Schedule 1 to this Ordinance shall have effect so as to impose upon Operators strict liability for loss or damage in the circumstances and in the events provided for by that Schedule.

*Strict liability
for certain loss or
damage etc.*

(2) In this section and in Schedule 1 to this Ordinance, "Operator" means any licensee and any concession owner.

*(1989 c.21, s.12
and Schedule)*

15.(1) Without prejudice to the generality of his powers under -

*Orderly payment for
environmental damage.*

(a) section 6(2), to impose terms and conditions on the grant of a licence; and

(b) section 7, to make regulations prescribing model clauses,

it is declared that the Governor may exercise those powers so as to require a licensee to effect and maintain in being throughout the term of the licence such policy or policies of insurance approved by the Governor or be party to such an arrangement in respect of the licensee's obligations, in the events provided for by Schedule 1 of this Ordinance or otherwise arising to pay damages or compensation or make re-imbursement to any person as the Governor sees fit.

(2) In subsection (1) and (3) "such an arrangement" means an arrangement having an effect similar so far as is reasonably practicable, to the application of the arrangements afforded by the Offshore Pollution Liability Agreement as amended from time to time by the parties thereto or such other arrangement of a similar kind to that the arrangements afforded by that Agreement as the Governor may approve.

(3) Where a licensee is party to such an arrangement but the provisions of that arrangement do not provide for payment in relation to all of the obligations referred to in subsection (1) of this section, the Governor may exercise either of the powers referred to in that subsection so as to require the licensee to effect and maintain in being a policy or policies of insurance approved by the Governor in relation to the remainder of those obligations.

(4) In subsection (2), "the Offshore Pollution Liability Agreement" means the agreement of that name applying in relation to the Offshore Pollution Liability Association Limited (a company incorporated under the laws of England with liability limited by guarantee and members of which are companies engaged in offshore petroleum exploration and exploitation operations and activities).

16.(1) In this section, "the 1971 Act" means the Prevention of Oil Pollution Act 1971 in the manner and so far as it applies to the Falkland Islands by virtue of the Prevention of Oil Pollution Act (Overseas Territories) Order 1982, but as if section 3 of the 1971 Act (which was not applied to the Falkland Islands by the said Order) had been so applied in terms corresponding to those of subsections (2) and (3) of this section.

*Oil pollution from
certain operations.*

(2) If any oil to which section 1 of the 1971 Act applies, or any mixture containing such oil, is discharged into any part of the sea -

(a) from a pipe-line; or

(b) (otherwise than from a ship) as the result of any operation for the exploration of the sea-bed and subsoil or the exploitation of their natural resources in a designated area,

then, subject to the provisions of the 1971 Act, the owner of the pipe-line or, as the case may be, the person carrying on the operations commits an offence unless the discharge was from a place in his occupation and he proves that it was due to the act of a person who was there without his permission (express or implied).

(3) A person convicted of an offence under subsection (2) is liable on conviction of that offence to a fine without limit.

Application of criminal and civil law

17.(1) The Governor may by Order made with the consent of the Secretary of State provide that, in such cases and subject to such exceptions as may be prescribed by the Order, any act or omission which - *Application of criminal law.*

(a) takes place on, under, or above an installation to which this section applies or any waters within 500 metres of any such installation; and

(b) would, if taking place in the Falkland Islands constitute an offence under the law of the Falkland Islands,

shall be treated for the purposes of that law as taking place in the Falkland Islands.

(2) The Governor may by Order made with the consent of the Secretary of State provide that in such cases and subject to such exceptions as may be prescribed by the Order, a police officer shall on, under or above any installation in waters to which this section applies or any waters within 500 metres of such an installation have all the powers, protection and privileges which he has under the law of the Falkland Islands.

(3) Subsection (2) has effect without prejudice to any other enactment or rule of law affording any power, protection or privilege to police officers or constables.

(4) Proceedings for anything that is an offence by virtue of an Order under this section may be taken, and the offence may be treated as having been committed, in the Falkland Islands.

(5) The waters to which this section applies are -

(a) the territorial sea; and

(b) waters in the designated area.

(6) This section applies to installations notwithstanding that they are for the time being in transit.

18.(1) The Governor may by Order made with the consent of the Secretary of State -

(a) provide that in such cases and subject to such exceptions as may be prescribed by the Order, questions arising out of acts or omissions taking place on, under or above waters to which this section applies in connection with any activity mentioned in subsection (2) shall be determined in accordance with the law of the Falkland Islands; and

(b) make provision for conferring jurisdiction with respect to such questions on courts in the Falkland Islands.

Application of civil law (1982 c.23 s.23).

(2) The activities referred to in subsection (1) are -

(a) activities connected with the exploration of, or the exploitation of the natural resources of, the shore or bed of waters to which this section applies or the subsoil beneath it; and

(b) without prejudice to the generality of paragraph (a) of this subsection, activities carried on from, by means of or on, or for the purposes connected with, installations to which subsection (3) applies.

(3) This subsection applies to offshore installations (as defined in section 2(1) of this Ordinance by reference to the carrying on of a relevant offshore activity (as defined in section 2(1)) and as section 2(3) has effect in relation to that definition).

(4) Any jurisdiction conferred on any court under this section is without prejudice to any jurisdiction exercisable apart from this section by that or any other court.

(5) The waters to which this section applies are -

(a) tidal waters and parts of the sea in or adjacent to the Falkland Islands up to the seaward limit of the territorial sea; and

(b) waters in the designated area.

(6) This section applies to installations notwithstanding that they are for the time being in transit.

Miscellaneous matters

19. The Governor may by Order in Council made with the consent of the Secretary of State apply the Wireless Telegraphy Act 1949 and any regulations made thereunder (with such modifications and exceptions as may be specified in such Order) to any installation in waters to which an Order under section 18 applies and any waters within 500 metres of an installation.

*Wireless
telegraphy.*

(cf 1964 c.29 s.6)

20. The Governor may by Order in Council made with the consent of the Secretary of State apply the Radioactive Substances Act 1960 to any installation in an area or part to which an Order under section 18 applies and waters within 500 metres of such an installation and may by an Order under this section modify the provisions of that Act in their application to such an installation or waters.

*Radioactive
substances.*

21. Section 3 (punishment for damaging cables) of the Submarine Telegraph Act 1885 in its application to the Falkland Islands and Article IV and paragraph 1 of Article VII (liability to pay compensation for damage to cables and for loss of gear sacrificed to avoid such damage) of the Convention set out in the Schedule to that Act (which by virtue of section 2 of that Act has the force of law) shall apply in relation to all submarine cables under the high seas (and not only to those to which that Convention applies) and to pipe-lines under the high seas; and the said section 3 shall be construed as referring to telephonic as well as telegraphic communication, and, in relation to high-voltage power cables and to pipe-lines, as if the words "in such manner" to the end of subsection (1) were omitted.

*Submarine cables
and pipelines.*

PART III

SAFETY, HEALTH AND SAFETY AT WORK ETC

CHAPTER 1: OFFSHORE INSTALLATIONS

22.(1) This section and sections 23 to 29 apply to offshore installations in the controlled waters and the definitions of - *Application of this Part.*

- (a) "installation"; *(cf. 1971 c.61 s.1).*
- (b) "offshore installation";
- (c) "relevant offshore activity" (in relation to offshore installations),

(all of which are contained in section 2(1)) and

- (d) the provisions of section 2(3) (which excepts in certain circumstances installations which would otherwise be offshore installations by reason of the definitions referred to in paragraphs (a) (b) and (c) of this section from the operation of those definitions)

shall have effect for the purpose of determining which installations are offshore installations for the purposes of this Part.

(2) Section 38(1) has effect for the purpose of bringing apparatus or works associated with a pipe or system of pipes within the definition of "installation" in section 2(1) (and thus, by virtue of subsection (1) of this section, within the operation of this Chapter).

(3) In this Chapter, any reference to the manager of an offshore installation is to be construed except in so far as the context otherwise requires as a reference to the person for the time being in charge of the installation and appointed as required by paragraph (a) or (b) of section 25(1).

Matters as to which regulations may be made

23.(1) The Governor may with the consent of the Secretary of State make regulations for the registration of offshore installations. *Registration of offshore installations. (1971, c.61 s.2).*

(2) Regulations under this section may make provision -

- (a) for all matters relevant to the maintenance of a register of offshore installations;
- (b) without prejudice to paragraph (a) of this subsection, for the cases in which an installation is to be or may be exempted from registration, for the period for which any registration or exemption is to remain effective without renewal, the alteration or cancellation in any prescribed circumstances of registration or exemptions or of any conditions attached thereto, the persons by whom and manner in which applications in connection with any registration or exemption are to be made, and the information and evidence to be furnished in connection with any such application;

(c) for the marking or other means of identification of any installation, whether registrable or exempted from registration;

(d) for the issue of certificates of registration or exemption, and the custody, surrender, production or display of the certificates or copies of them;

(e) for requiring the payment of fees in connection with the making of applications under the regulations, the issue of certificates or other matters;

(f) for matters arising out of the termination of any registration or exemption, or any conditions attached thereto; and

(g) for other incidental matters.

24.(1) The Governor may with the consent of the Secretary of State make regulations -

*Construction and
survey regulations
for offshore
installations.*

(a) requiring offshore installations to be certified by such persons and in such manner as may be provided by the regulations to be, in respect of such matters affecting safety as may be so provided, fit for the purpose or purposes specified by the regulations;

(1971, c.61 s.3)

(b) imposing requirements as to the survey, testing and inspection of installations or parts of installations or parts of installations in respect of matters covered or required to be covered by a certificate of fitness;

(c) imposing any prohibition or restriction as respects installations or parts of installations which, in any respect, fail to comply with any provisions of the regulations.

(2) Regulations under this section may make provision -

(a) for the issue of certificates of fitness, and the custody, surrender, production or display of the certificates or copies of them;

(b) for requiring the payment of fees in connection with the making of applications under the regulations, the carrying out of surveys or tests, the issue of certificates or other matters;

(c) for matters arising out of the termination or modification of any certificate of fitness;

(d) for any other incidental matters.

(3) It shall be the duty of the owner of the offshore installation, and of the installation manager and of every person who, in relation to the installation is a concession owner to ensure that the provisions of regulations under this section are complied with, and, if regulations under this section are contravened in any respect in relation to an installation when it is within controlled waters, the owner of the offshore installation, the installation manager and every person who, in relation to the installation, is a concession owner commits an offence and is liable on conviction of that offence to a fine without limit.

Managers of offshore installations

25.(1) Every offshore installation, so long as it is in controlled waters shall be under the charge of a person appointed to be or act as manager, and the owner of the installation shall appoint to be installation manager - *Managers of offshore installations.*

(1971 c.61, s.4)

(a) a person who, to the best of the knowledge and belief of the owner, has the skills and competence suitable for the appointment, and

(b) another or others to act where necessary in place of the installation manager,

and shall inform the Governor of any appointment under this subsection by giving notice in the prescribed form and containing the prescribed particulars.

(2) The Governor may, with the consent of the Secretary of State, make regulations prescribing requirements to be fulfilled as respects an installation manger appointed under paragraph (a) or paragraph (b) of subsection (1) of this section, including requirements as to qualifications, experience, health or age; and the regulations may make different provision for managers of different types of installations or mangers whose responsibilities differ in other respects, and different provision for managers appointed under the said paragraphs (a) and (b) respectively.

(3) The owner may, under paragraph (a) of subsection (1) of this section, appoint two or more persons to be managers in rotation, and the persons appointed under paragraph (b) of that subsection shall act where necessary in place of any of them.

(4) If at any time the owner is satisfied that an installation manager appointed in pursuance of subsection (1) of this section does not have the requisite skills and competence, he shall terminate the appointment as soon as practicable, and shall give the Governor notice in the prescribed form of the action taken by him.

(5) It shall be the duty of the owner, in order to ensure that the installation manager appointed under paragraph (a) of subsection (1) of this section is on the installation when it is manned, from time to time to place a person so appointed on the installation, and to ensure that he remains there until relieved, or so long as it is manned.

(6) If the owner fails to comply, or to ensure compliance, with the provisions of this section, he commits an offence and is liable on conviction to a fine not exceeding £100,000.

(7) The operation of the foregoing provisions of this section may be excluded in whole or in part by regulations made by the Governor under this subsection, with the approval of the Secretary of State, or in relation to any particular installation by direction given by the Governor, with the approval of the Secretary of State, in such manner and to such persons as the Governor considers appropriate.

26.(1) The manager of an offshore installation shall not be absent from the installation at any time when it is manned, except in the case of sudden sickness or other cause beyond his control, or for other sufficient reason, and a person failing to comply with this subsection commits an offence and is liable on conviction of that offence to a fine not exceeding £10,000.

Managers of offshore installations: further provisions.

(1971. c.61, s.5).

(2) Except as otherwise provided by this Part, the manager of an offshore installation shall have in relation to it general responsibility for matters affecting safety, health or welfare, the maintenance of order and discipline, and for the discharge of that responsibility shall exercise authority over all persons in or about the installation, except that his authority does not extend to any matter for which another person is responsible as master, captain or person in charge of any vessel, aircraft or hovercraft.

(3) If a person subject to the authority of the manager of an offshore installation wilfully disobeys a lawful command given to him by the manager in the exercise of that authority, he commits an offence and is liable on conviction of that offence to a fine not exceeding £1,000.

(4) The manager of any offshore installation shall not permit the installation to be used in any manner, or permit any operation to be carried out on or from the installation, if the seaworthiness or stability of the installation is likely to be endangered by its use in that manner or by the carrying out of that operation or by its being carried out in the manner proposed, and it shall be the duty of the owner of the installation to ensure that the provisions of this subsection are complied with by the installation manager.

(5) If an installation manager or owner fails to comply, or ensure compliance, with subsection (4) he commits an offence and is liable on conviction of that offence to a fine without limit.

(6) Where at an offshore installation there is an emergency or apprehended emergency endangering the seaworthiness or stability of the installation or otherwise involving a risk of death or serious personal injury, the installation manager may take or require to be taken any such measures as are necessary or expedient to meet or avoid the emergency, and no regulation or condition having effect by virtue of this Part shall apply to prohibit or restrict the taking of any such measures by virtue of this subsection.

(7) If the installation manager has reasonable cause to believe that it is necessary or expedient for the purpose of securing the safety of any offshore installation or persons in or about it, or maintaining order and discipline among those persons, the installation manager may cause those persons to be put ashore in the Falkland Islands; and where any of those persons has done or is about to do any act endangering or likely to endanger the safety of the persons in or about it or the maintenance of order and discipline among those persons, or the installation manager with reasonable cause suspects him of having done or being about to do any such act, the installation manager may take or cause to be taken such other reasonable measures against him, by restraint of his person or otherwise, as the installation manager thinks necessary or expedient, except that this subsection does not extend to any matters for which another person is responsible as master, captain or person in charge of any vessel, aircraft or hovercraft.

(8) A person shall not be kept under restraint by virtue of subsection (7) for longer than 24 hours unless -

(a) the intention is that he shall be put ashore in the Falkland Islands in accordance with that subsection at the earliest possible opportunity; and

(b) within those twenty-four hours or as soon as practicable afterwards notice of his having been kept under restraint and of the reasons for it is sent to the prescribed authority in the Falkland Islands.

(9) The manager of an offshore installation shall notify the owner as soon as practicable of any event which occurs at the installation and which the owner is by any regulation or condition having effect by virtue of this Part required to notify to the Governor, and if a person fails to comply with this subsection he commits an offence and is liable on conviction of that offence to a fine not exceeding £5,000.

(10) The operation of the foregoing provisions of this section may be excluded in whole or in part in relation to any class or description of installation by regulations made by the Governor under this subsection with the approval of the Secretary of State, or in relation to any particular installation by directions given by the Governor, with the approval of the Secretary of State, in such manner and to such persons as the Governor considers appropriate.

Safety regulations as to offshore installations

27.(1) The Governor may with the consent of the Secretary of State make regulations for the safety, health and welfare of persons on offshore installations in controlled waters, and generally, and whether or not by supplementing the preceding sections of this Part, for the safety of such installations and the prevention of accidents on or near them.

*Safety regulations
as to offshore installations.*

(1971 c.61, s.6).

(2) The regulations may have effect as respect -

- (a) persons whether or not present in the course of their employment;
- (b) the transport of persons and things to and from an installation;
- (c) vessels, aircraft or hovercraft in the neighbourhood of an installation;
- (d) vessels on which accommodation is provided for persons who work on or from installations; and
- (e) any operation or work whether on or near an installation, or in the water, or on or below the shore or bed of the sea or other waters.

(3) Without prejudice to the generality of the preceding provisions of this section, the regulations may provide for any of the matters set out in Schedule 2 to this Ordinance, and may contain such supplemental or incidental provisions as appear to the Governor to be expedient.

(4) The Governor may appoint as inspectors to discharge the functions conferred by regulations, and generally to assist the Governor in the execution of the foregoing provisions of this Part, such number of persons appearing to him to be qualified for the purpose as he may from time to time consider necessary or expedient.

CHAPTER 2: PIPE-LINES

Safety and inspection of pipelines

28.(1) The Governor may by regulations make such provision as he considers appropriate for the purpose of securing the proper construction and safe operation of pipe-lines, preventing damage to pipe-lines, preventing damage to pipe-line works; and, without prejudice to the generality of the preceding provisions of this subsection, regulations in pursuance of this subsection may include provision with respect to the use of any aircraft, vessel, vehicle, structure, plant, equipment or other thing for the purposes of any pipe-line works and with respect to the movement of and the precautions to be taken on or in connection with any of those things which are used for the purposes of any pipe-line works or are in the vicinity of a pipe-line or pipe-line works.

*Safety etc. of
pipe-lines (1975, c.74,
s.26).*

(2) In subsection (1) of this section "pipe-line works" means works of any of the following kinds, namely -

- (a) assembling or placing a pipe-line or length of pipe-line;
- (b) inspecting, testing, maintaining, adjusting, repairing, altering or renewing a pipe-line or length of pipe-line;
- (c) changing the position of or dismantling or removing a pipe-line or length of pipe-line;
- (d) opening the bed of the sea for the purposes of works mentioned in the preceding paragraphs, tunnelling or boring for those purposes and other works needed for or incidental to those purposes;
- (e) works for the purpose of determining whether a place is suitable as part of the site of a proposed pipe-line, and the carrying out of surveying operations for the purpose of settling the route of a proposed pipe-line.

(3) References in subsection (1) and (2) are to a controlled pipe-line but shall be construed as excluding -

- (a) the equipment of a vessel or vehicle; and
- (b) any apparatus and works associated with a pipe or system of pipes and prescribed for the purposes of this paragraph.

29.(1) The Governor may appoint, as inspectors to assist him in the execution of this Chapter of this Part ("the relevant provisions") such number of persons appearing to him to be qualified for the purpose as he considers appropriate from time to time.

*Inspectors etc.
(1975, c.74, s.27).*

(2) Provision may be made by regulations with respect to the powers and duties of inspectors appointed in pursuance of the preceding subsection and of any other persons acting on the directions of the Governor in connection with the execution of the relevant provisions and with respect to the facilities to be accorded to such inspectors and other persons; and, without prejudice to the generality of the power conferred by the preceding provisions of this subsection, regulations made in exercise of that power may include provisions as to -

(a) powers to inspect pipe-lines;

(b) powers to enter upon premises, vessels and installations used or intended to be used in connection with a pipe-line or with activities relating to a pipe-line or a proposed pipe-line;

(c) powers to inspect and test equipment and, in special circumstances, to dismantle, test to destruction or take possession of articles of equipment;

(d) powers to require, in connection with the inspection of a pipe-line, the carrying out of procedures and the conduct of tests and, in special circumstances, the shutting down of the pipe-line or the discontinuance of the conveyance of things through the pipe-line;

(e) powers exercisable in case of immediate or apprehended danger;

(f) powers to require the conveyance of persons and things to and from, and the provision for persons of reasonable accommodation and means of subsistence while they are on or in transit to or from, any vessel or installation;

(g) duties of persons to keep and produce records and to furnish information.

(3) Provision may also be made by regulations with respect to the notification of and the holding of public inquiries into accidents connected with pipe-lines; and, without prejudice to the generality of the power conferred by the preceding provisions of this subsection, regulations made in the exercise of that power may include provisions as to -

(a) powers of entry and inspection for the purposes of an inquiry;

(b) powers for such purposes of summoning witnesses to give evidence or produce documents, of taking evidence on oath and of administering oaths or requiring the making of declarations;

(c) the making by the Governor of payments to a person holding an inquiry, to any assessor appointed to assist him and to any witness at an inquiry;

(d) the persons by whom and the manner in which the costs of an inquiry, including the remuneration of a person holding the inquiry, are to be defrayed.

(4) The provision as to costs in pursuance of paragraph (d) of the preceding subsection may include -

(a) provision for the payment of any costs out of money appropriated by the Legislative Council;

(b) provision requiring any costs to be defrayed by any person who appears to the person holding the inquiry to be responsible in any degree for the accident in question by reason of any act or default of the first-mentioned person or of any servant or agent of his.

(5) References to a pipe-line in the preceding provisions of this section are to a controlled pipe-line.

CHAPTER 3: SAFETY ZONES

Establishment of safety zones

30.(1) The Governor may, by Order made with the consent of the Secretary of State, provide that the following provisions of this section shall have effect, but otherwise they shall not have effect. *Automatic establishment of safety zones.*

(2) Subject to subsection (1) and to subsections (4) and (5), there shall be a safety zone around any installation which, or part of which, is in the controlled waters if - *(1987, c.12, s.21).*

(a) it is stationed there so that any of the activities mentioned in subsection (3) may be carried out on, from or by means of it, or

(b) it is being assembled at a station where it is to be used for such a purpose, or

(c) it remains or is being dismantled at a station where it has been used for such a purpose.

(3) The activities referred to in subsection (2) are -

(a) the exploitation or exploration of mineral resources in or under the shore or bed of the controlled waters;

(b) the storage of gas in or under the shore or bed of such waters or the recovery of gas so stored;

(c) the conveyance of things by means of a pipe, or system of pipes, constructed or placed on, in or under the shore or bed of such waters;

(d) the provision of accommodation for persons who work on or from an installation satisfying the condition in paragraph (a), (b) or (c) of subsection (2).

(4) Subsection (2) shall not apply to an installation in respect of which an order under section 31 has effect, or to one which -

(a) is connected with dry land by a permanent structure providing access at all times and for all purposes, or

(b) does not project above the sea at any state of the tide.

(5) The Governor may by Order made with the consent of the Secretary of State exclude any installation of any description from the operation of subsection (2), and may do so generally or by reference to specified activities or locations or in any other way.

(6) A safety zone established by subsection (2) shall extend to every point within 500 metres of any part of the installation (ignoring any moorings) and to every point in the water which is vertically above or below such a point.

(7) A safety zone established by subsection (2) may extend to waters outside the controlled waters.

31.(1) The Governor may by order made with the consent of the Secretary of State establish a safety zone around any installation which, or part of which, is stationed in the controlled waters, or is being assembled or dismantled in such waters. *Special orders. (1987, c.12, s.22).*

(2) The area of a safety zone established by an Order under this section shall be defined in the Order and may extend outside the controlled waters, but shall not extend to any point which would be outside a zone defined in accordance with subsection (6) of that section.

(3) An order under this section may be made in anticipation of an installation's arriving at its station, so as to come into force when it does so.

Offences in relation to safety zones

32.(1) Where by virtue of an Order under section 30 or 31 there is a safety zone around an installation, no vessel shall enter or remain in the zone except - *Safety zones: offences.*

(a) in the case of a safety zone established by an Order under section 31, in accordance with that Order; or *(1987, c.12, s.23).*

(b) in that or in any other case, in accordance with regulations made by the Governor.

(2) If a vessel enters or remains in a safety zone in contravention of subsection (1) then, subject to subsection (3), its owner and its master each commit an offence and are liable on conviction of that offence to a fine without limit.

(3) It is a defence for a person charged with an offence under this section to prove that the presence of the installation or the existence of the safety zone was not, and would not on reasonable enquiry have become, known to the master.

(4) Where the commission by any person of an offence under this section is due to the act or default of some other person, that other person has also committed that offence and is liable to be proceeded against and punished accordingly.

(5) In this section, "vessel" includes a hovercraft, submersible apparatus (within the meaning of section 16(2) of the Merchant Shipping Act 1974) and an installation in transit; and "master" -

(a) in relation to a hovercraft, means the captain;

(b) in relation to submersible apparatus, means the person in charge of the apparatus;

(c) in relation to an installation in transit, means the person in charge of the transit operation.

33.(1) For the purposes of this Chapter -

(a) any floating structure or device maintained on a station by whatever means, and

(b) any apparatus or works treated as associated with a pipe or system of pipes by section 38 of this Ordinance (but not anything else within the definition of pipe-line in that section),

shall be taken to be an installation.

Safety zones: supplementary.

(1987, c.12, s.24(1) and (3)).

(2) Sections 30 to 32 -

(a) so far as they apply to individuals apply to them whether or not they are British citizens or British dependent territories citizens; and

(b) so far as they apply to bodies corporate apply to them whether or not they are incorporated in the Falkland Islands.

CHAPTER 4: GENERAL

Provisions as to civil and criminal liability

34.(1) This section has effect as respects -

(a) a duty imposed by any foregoing provision of this Part;

(b) a duty imposed on any person by any provision of regulations or other subsidiary legislation made under any or for the purpose of any preceding provision of this Part which expressly applies the provisions of this section.

*Civil liability
for breach of statutory
duty.*

(1971, c.61, s.11).

(2) Breach of any such duty shall be actionable so far, and only so far, as it causes personal injury, and references in section 1 of the Fatal Accidents Act 1846, as it applies in the Falkland Islands, to a wrongful act, neglect or default shall include references to any breach of a duty which is so actionable.

(3) Subsection (2) is without prejudice to any action which lies apart from the foregoing provision of this Part.

(4) Neither section 35, nor any defences afforded by regulations which afford, in respect of any description of offence created by those regulations, such defence as may be specified by those regulations, shall afford a defence in any civil proceedings, whether brought by virtue of this section or not.

(5) So far as the provisions of this section impose a liability on a concession owner, those provisions and the other provisions of this Part to which they relate shall bind the Crown, and accordingly, for the purposes of those provisions, and of any regulations or conditions having effect under those provisions, persons in the service of the Crown shall be taken to be employed whether or not they would be apart from this section, except that this subsection shall not give any right of action to a person as being a member of the armed forces of the Crown.

(6) Nothing in subsection (5) shall authorise proceedings to be brought against Her Majesty in her private capacity, and this subsection shall be construed as if section 38(3) of the Crown Proceedings Act 1947 (interpretation of references in that Act to Her Majesty in her private capacity) were contained in this Ordinance.

35.(1) In proceedings for an offence under section 24, 25 or 26, it shall be a defence for the accused to prove - *Special defence in criminal proceedings under sections 24, 25 or 26.*

(a) that he used all due diligence to enforce the execution of Chapter 1, and of any relevant regulation made under Chapter 1; and

(1971, c.61, s.9(3)).

(b) that any relevant contravention was committed without his consent, connivance or default.

(2) Proceedings for any offence under Chapter 1 may be taken and the offence may for all incidental purposes be treated as having been committed in the Falkland Islands.

CHAPTER 5: REPLACEMENT OR MODIFICATION OF FOREGOING PROVISIONS OF THIS PART

Application of Part I of Health and Safety at work etc. Act 1974

36.(1) The Governor may, with the consent of the Secretary of State, by Order apply the provisions of the Offshore Safety Act 1992 to the Falkland Islands, with such modifications and exceptions as the Governor, with the consent of the Secretary of State, thinks fit, so that Part I of the Health and Safety at Work etc. Act 1974 applies to things and matters to which Chapters 1 to 4 of this Part relates as they do to the matters and things which, by virtue of its provisions, the Offshore Safety Act 1992 applies the said Part I of the Health and Safety at Work etc. Act 1974, but with such modifications and exceptions, in relation to the provisions of the said Part I of the Health and Safety at Work etc. Act 1974, as may be stated in such an Order. *Application for certain purposes of Part I of the Health and Safety at work Act etc. 1974.*

(2) The Governor may by an Order under this subsection -

(a) repeal or modify some or all of the provisions of Chapters 1 to 4 of this Part and any other provision of this Ordinance so far only as it relates to those provisions in such manner and to such extent as may appear to the Governor to be necessary or expedient; and

(b) apply all or any regulations made under section 15(1) of the Health and Safety at Work etc. Act 1974 (with such modifications and exceptions as may be stated in the Order) which apply to such things and matters as the Offshore Safety Act 1992 relates to the corresponding things or matters to which Chapters 1 to 4 of this Part relate (and, in particular, but without prejudice to the generality of the foregoing, the Governor may by such an Order apply with such modifications and exceptions as he thinks fit, the provisions of the Offshore Installations (Safety Case) Regulations 1992).

(3) For the purposes of this section and any Order under this section Chapters 1 to 4 of this Part, together with the provisions of Part VI of this Ordinance so far as they relate to powers to make regulations and or to offences under those Chapters shall be taken to correspond with the United Kingdom legislation mentioned in section 1(3) of the Offshore Safety Act 1992.

(4) Without prejudice to subsection (1), the Governor may by an Order under this subsection made with the consent of the Secretary of State apply the provisions of Part I of the Health and Safety at Work etc. Act 1974 and any regulations made under section 15(1) of that Act, with such modifications and exceptions as may be stated in the Order, in relation to -

(a) oil refineries

(b) pipe-lines within the wider definition given in subsection (5); and

(c) gas (as defined in subsection (5));

and, if they are within the Falkland Islands, notwithstanding that they are not within the controlled waters and notwithstanding that (even if they are within the controlled waters) in the circumstances of the case, they would not fall within the provisions of Chapters 1 to 4 of this Part.

(5) For the purposes of subsection (4) and this subsection -

(a) "oil refinery" includes any installation for processing petroleum products (and for the purposes of this paragraph "petroleum products" means the following substances produced from or indirectly from crude, that is to say fuels, lubricants, bitumen, wax, industrial spirits and any wide-range substance (a substance whose final boiling point at normal atmospheric pressure is more than 50°C higher than its initial boiling point));

(b) "pipe-line" (in substitution for the meaning referred to in section 2(1) of this Ordinance) means any pipe (together with any apparatus or works associated therewith) or a system of pipes designed or constructed or in fact used -

(i) for or in connection with the conveyance of any mineral or gas from or to or over upon in or under an offshore installation for from to an oil refinery or within an oil refinery

(ii) for or in connection with any offshore installation (and whether or not in connection with the conveyance of any mineral or gas);

(iii) for or in connection with the refining of petroleum products at any oil refinery or otherwise in an oil refinery (regardless of the purpose for which the pipe is designed or constructed or in fact used);

(but apparatus and works are, for the purposes of this paragraph to be treated as associated with a pipe, or system of pipes if and only if -

(aa) they are apparatus for inducing or facilitating the flow of any thing through the pipe or, as the case may be, through the system or any part thereof;

(bb) they are valves, value chambers, manholes, inspection pits and similar works, being works annexed to, or incorporated in the pipe or system;

(cc) they are apparatus for supplying energy for the operation of any such apparatus as is mentioned in paragraph (aa) or of any such works as are mentioned in paragraph (bb);

(dd) they are apparatus for affording protection to the pipe or system; or

(ee) they are a structure for the exclusive support of a pipe or system); and

(c) "gas" means any gas derived from natural strata (including gas originating outside the Falkland Islands and the controlled waters), but does not include such gas in the course of supply (whether by pipes or otherwise) by a public utility or in containers in which it is intended to be supplied to members of the public or other retail consumers.

37.(1) If an Order has been or is about to be made under section 36, the Governor, with the consent of the Secretary of State, may -

*Supplementary
to section 36.*

(a) enter into an agreement or arrangement with the Health and Safety Executive established by the Health and Safety at Work etc. Act 1974 for and relating to the exercise by the Executive on behalf the Crown in the Falkland Islands of the like functions in the application of Part I of that Act under section 36 as it has under that Part in the United Kingdom and the United Kingdom's continental shelf;

(b) make such Order as it appears necessary to him or expedient to make to give effect in the law of the Falkland Islands to any agreement or arrangement.

(3) Where any person has a right of action arising out of the act or default of the Health and Safety Executive in the performance of any functions under and by virtue of such an agreement or arrangement as is referred to in subsection (1), that right of action shall lie against Her Majesty in right of Her Government of the Falkland Islands and not (except in so far as may be permitted by or under the law of the United Kingdom) against Her Majesty in right of Her Government of the United Kingdom.

PART IV

SUBMARINE PIPE-LINES

Interpretation

38.(1) Except where the context otherwise requires, in this Part of this Ordinance "pipe-line" means a pipe or system of pipes (excluding a drain or sewer) for the conveyance of any thing, together with any apparatus and works associated with such a pipe or system; and for the purposes of this Part of this Ordinance the following apparatus and works and no other shall be treated as associated with such a pipe or system -

*Interpretation
of Part IV.*

(1975, c.74, s.33).

(a) any apparatus for inducing or facilitating the flow of anything through, or through a part of, the pipe or system;

(b) any apparatus for treating or cooling any thing which is to flow through, or through part of, the pipe or system;

(c) valves, valve chambers and similar works which are annexed to, or incorporated in the course of, the pipe or system;

(d) apparatus for supplying energy for the operation of any such apparatus or works as are mentioned in the preceding paragraphs;

(e) apparatus for the transmission of information for the operation of the pipe or system;

(f) apparatus for the cathodic protection of the pipe or system; and

(g) a structure used or to be used solely for the support of a part of the pipe or system.

and "controlled pipe-line" means so much of any pipe-line as is in, over or under controlled waters.

(2) The Governor may by Order under this subsection provide that a part of a pipe-line, specified in the Order shall be treated for the purposes of this Part of this Act, except this subsection, as a pipe-line.

(3) For the purposes of this Part of this Ordinance, "owner" in relation to a pipe-line and "proposed owner" in relation to a proposed pipe-line, mean the person designated for the time being as the owner of the pipe-line, or as the case may be as the proposed owner of the proposed pipe-line, by an Order made by the Governor, and an Order designating a person as the proposed owner of a proposed pipe-line may also contain provision for him to be designated as the owner of the pipe-line in question at a time designated by or under the Order, but the Governor -

(a) shall, before designating a person in pursuance of this subsection, give him an opportunity of being heard in respect of the matter; and

(b) shall, if a person designated in pursuance of this subsection requests the Governor in writing to cancel the designation, consider the request and, if the Governor considers it appropriate to do so, give that person an opportunity of being heard by a person appointed by the Governor in connection with the request.

(4) The Governor may by order revoke any order made in pursuance of subsection (2) or (3) of this section.

(5) Except where the context otherwise requires, in this Part of this Ordinance the following expressions have the following meanings -

"authorisation" means an authorisation required by section 39 of this Ordinance;

"construction", in relation to a pipe-line, includes placing and cognate expressions shall be construed accordingly;

"heard" means heard on behalf of the Governor by a person appointed by him for the purpose;

"holder", in relation to an authorisation, means the person to whom the authorisation was issued;

"pipe-line", in relation to an application for a works authorisation means the proposed pipe-line in respect of which the application is made; and

"works authorisation" means an authorisation for works for the construction of a pipe-line or for such works and for the use of the pipe-line.

(6) For the purposes of this Part of this Ordinance, works at any place in, under or over controlled waters for the purpose of determining whether the place is suitable as part of the site of a proposed pipe-line and the carrying out of surveying operations for the purpose of settling the route of a proposed pipe-line are not works for the construction of a pipe-line.

(7) Any reference in this Part of this Ordinance to a contravention of a provision of that Part or of regulations made or directions given by virtue of the Part includes a reference to a failure to comply with that provision.

(8) Any reference in this Part of this Act, except this subsection, to that Part includes a reference to Schedule 3 to this Ordinance.

(9) This Part of this Ordinance, so far as it applies to individuals or bodies corporate, applies to them notwithstanding that they are not British citizens or British dependent territories citizens or, as the case may be, are not incorporated under the law of the Falkland Islands.

Construction and use of pipe-lines

39. No person shall execute in, under or over any controlled waters any works for the construction of a pipe-line, unless he is authorised by the Governor in writing to do so.

Control of construction and use of pipe-lines in controlled waters. (1975, c.74, s.20).

40.(1) The provisions of Part I of Schedule 3 to this Ordinance shall have effect with respect to applications for and notices of works authorisations, and the provisions of Part II of that Schedule shall have effect with respect to notice of other authorisations.

Authorisations for pipe-lines. (1975, c.74, s.21).

(2) The Governor shall not issue an authorisation except to a body corporate.

(3) An authorisation in respect of a controlled pipe-line may contain such terms as the Governor thinks appropriate including in particular, without prejudice to the generality of the preceding provisions of this subsection, terms as to -

(a) the duration of the authorisation, including the method of ascertaining its duration;

(b) the persons or kinds of persons who are authorised to execute the works in question or to use the pipe-line or are so authorised if the Governor consents to the execution of the works or the use of the pipe-line by them;

(c) in the case of a works authorisation, the route of the pipe-line, the boundaries within which any works may be executed in pursuance of the authorisation, the design and capacity of the pipe-line or of part of it and the steps to be taken to avoid or reduce interference by the pipe-line with fishing or with other activities connected with the sea or the sea-bed and subsoil;

(d) the things authorised to be conveyed by the pipe-line;

(e) the steps to be taken for the purpose of ensuring that funds are available to discharge any liability for damage attributable to the release or escape of any thing from the pipe-line;

(f) the transactions relating to the pipe-line which are not to be entered into, and the other things relating to the pipe-line which are not to be done, without the consent of the Governor;

(g) the persons who may be permitted to acquire an interest in the pipe-line and who may not be permitted to retain such an interest;

(h) the operation of the pipe-line, including the methods by which it is to be operated and the person by whom it may be operated;

(i) the information to be furnished in respect of the pipe-line; and

(j) the giving by the Governor, with respect to the matters specified by the authorisation, of directions which shall have effect as terms of the authorisation.

(4) Except in a case where the Governor considers that there are special circumstances by reason of which the duration of an authorisation should be limited, the terms as to its duration which are included in an authorisation shall provide for its duration to be unlimited unless the authorisation ceases to be in force by virtue of the following provisions of this Part of this Ordinance.

(5) Where a works authorisation contains a term requiring that the capacity of the controlled pipe-line to which it relates or of any part of the pipe-line shall be greater than that proposed in the application for the authorisation or requiring that any of the route of the pipe-line shall be different from that so proposed then, subject to section 42(4) of this Ordinance, the Governor may serve on the holder of the authorisation, and on any other person who made representations to the Governor that the capacity proposed as aforesaid should be greater or that any of the route so proposed should be different, a notice -

(a) specifying the sums or the method of determining the sums which the Governor considers should be paid to the holder by the other person for the purpose of defraying so much of the cost of constructing the pipe-line as is attributable to the term;

(b) requiring the other person to make, within the period specified in that behalf in the notice, arrangements which the Governor considers are appropriate for the purpose of securing that those sums will be paid to the holder if he constructs the pipe-line or a relevant part of it in accordance with the term or satisfies the Governor that he will so construct it;

(c) providing that the holder may, if such arrangements are not made by the other person within that period, elect in the manner specified in the notice that -

(i) the term shall have effect with such modifications as are so specified with a view to eliminating the consequences of the representations of the other person, and

(ii) the provisions included in the notice by virtue of the following paragraph shall cease to have effect; and

(d) authorising the holder, if he satisfies the Governor that the pipe-line or a relevant part of it has been or will be constructed in accordance with the term, to recover those sums from the other person.

41.(1) If in the case of a controlled pipe-line it appears to the Governor, on the application of a person other than the owner of the pipe-line -

*Compulsory increase
in the capacity of
pipe-lines.*

(a) that the capacity of the pipe-line can and should be increased by modifying apparatus and works associated with the pipe-line; or

(1975, c.74, s.22).

(b) that the pipe-line can and should be modified by installing in it a junction through which another pipe-line may be connected to the pipe-line;

then, subject to section 42(5) of this Ordinance, the Governor may, after giving to the owner of the pipe-line an opportunity of being heard about the matter, serve on the owner and the applicant a notice -

(i) specifying the modification which the Governor considers should be made in consequence of the application;

(ii) specifying the sums or the method of determining the sums which the Governor considers should be paid to the owner by the applicant for the purpose of defraying the cost of the modification;

(iii) requiring the applicant to make, within a period specified in that behalf in the notice, arrangements which the Governor considers appropriate for the purpose of securing that those sums will be paid to the owner if he carries out the modifications of satisfies the Governor that he will carry them out;

(iv) requiring the owner, if the applicant makes those arrangements within the period aforesaid, to carry out the modifications within a period specified in that behalf in the notice; and

(v) authorising the owner, if he satisfies the Governor that he has carried out or will carry out the modifications, to recover those sums from the applicant.

(2) References in the preceding subsection to modifications include, in the case of modification of any apparatus and works, references to changes in, substitutions for and additions to the apparatus and works.

(3) It is hereby declared that for the purposes of section 39 of this Ordinance a notice in pursuance of this section requiring a person to carry out modifications authorises him to carry out the modifications; but nothing in Schedule 3 to this Ordinance shall apply to such a notice.

42.(1) If a person applies to the Governor for a notice in pursuance of this section which secures to the applicant a right to have conveyed by a controlled pipe-line of which he is not the owner, quantities specified in the application of things which are of a kind so specified and which the pipe-line is designed to convey, the Governor shall consider the application and, before he considers it, to give to the owner of the pipe-line and the applicant -

*Acquisition by
persons of rights to
use pipe-lines
belonging to others.*

(1975 c.74, s.23).

(a) notice that he proposes to consider it; and

(b) an opportunity, after the expiration of the period of twenty-one days beginning with the date of service of the notice, of being heard with respect to the application.

(2) Where after considering an application in pursuance of the preceding subsection the Governor is satisfied that, if he served notice in accordance with the following subsection in consequence of the application, the pipe-line in question could be operated in accordance with the notice without prejudicing the efficient operation of it for the purpose of conveying, on behalf of its owner, the quantities and qualities which the owner requires or may reasonably be expected to require of the things which may be conveyed by it in pursuance of an authorisation (or, if no authorisation for the use of the pipe-line is required by section 39 of this Ordinance, of the things which the pipe-line is designed to convey), the Governor may serve such a notice on the owner and the applicant.

(3) A notice served in pursuance of the preceding subsection may contain such provisions as the Governor considers appropriate for all or any of the following purposes, namely -

- (a) for securing to the applicant, without prejudicing the efficient operation of the pipe-line for the purpose mentioned in subsection (2), the right to have conveyed by the pipe-line the quantities specified in the application of the things so specified;
- (b) for securing that the exercise of the right is not prevented or impeded;
- (c) for regulating the charges which may be made for the conveyance of things by virtue of the right;
- (d) for securing to the applicant the right to have a pipe-line of his connected to the pipe-line by the applicant or the owner;

and such a notice may also authorise the owner to recover from the applicant payments by way of consideration for any such right of such amounts as may be specified in the notice or determined in accordance with provisions in that behalf contained in the notice.

(4) Where the Governor proposes to serve a notice in pursuance of subsection (5) of section 40 of this Ordinance on a person other than the holder of the relevant authorisation, he shall before doing so give that person an opportunity of making an application in pursuance of subsection (1) of this section in respect of the proposed pipe-line to which the authorisation relates; and subsections (1) to (3) of this section shall have effect in relation to such an application made by virtue of this subsection as if for references to a pipe-line and the owner of it there were substituted references to the proposed pipe-line and the proposed owner of it.

(5) Where the Governor proposes to serve a notice in pursuance of subsection (1) of the preceding section on a person other than the owner of the relevant pipe-line, it shall be his duty before doing so to give that person particulars of the modifications which he proposes to specify in the notice and an opportunity of making an application in pursuance of subsection (1) of this section in respect of the pipe-line; and subsection (1) to (3) of this section shall have effect in relation to such an application made by virtue of this subsection as if for references to a pipe-line there were substituted references to the pipe-line as it would be with those modifications.

(6) The use of a pipe-line by any person in accordance with a right secured to him by virtue of this section is not a contravention of section 39 of this Ordinance; but a person to whom a right is so secured shall not be entitled to assign the right to any other person.

43.(1) An authorisation shall cease to be in force -

*Termination
of authorisations.*

(a) in the case of an authorisation which does not contain terms providing for its duration to be unlimited, on the expiration of the period of its duration as specified by or ascertained under the terms of the authorisation unless it has previously ceased to be in force by virtue of the following provisions of this subsection; or

(1975, c. 74, s.24).

(b) if the holder and the Governor agree in writing that the authorisation, is to cease to be in force at a particular time during its currency, at that time; or

(c) if the Governor serves a notice on the holder in pursuance of -

(i) the duty imposed on the Governor by the following subsection, or

(ii) the provisions of subsection (4) of this section,

at the time specified in the notice.

(2) If it appears to the Governor that the execution of works authorised by a works authorisation (disregarding the execution of any of the works which he considers should be disregarded for the purposes of this subsection) has not been begun at the expiration of -

(a) the period of three years beginning with the date when the authorisation is expressed to come into force; or

(b) such longer period beginning with that date as the Governor has, on the application of the holder, specified in a notice served for the purposes of this paragraph on the holder during the said period of three years,

the Governor shall serve on the holder a notice stating that the authorisation is to cease to be in force at a time specified in the notice.

(3) The Governor shall not serve notice in pursuance of an application made by virtue of paragraph (b) of the preceding subsection unless -

(a) he is satisfied that notice of the application has been served on -

(i) the persons on whom, in pursuance of Schedule 3 to this Ordinance, notice was served of the application in consequence of which the relevant authorisation was issued or on such of those persons as the Governor considers appropriate in the circumstances, and

(ii) such other persons, if any, as he considers appropriate in the circumstances; and

(b) he has considered any representations about the application made by virtue of the said paragraph (b) which were made to him in writing, during such a period as he considers reasonable, by any of the persons as to whom he is satisfied as mentioned in the preceding paragraph.

(4) If the Governor is of opinion, after giving the holder of an authorisation an opportunity of making representations in writing to him about the matter and considering any such representations then made by the holder, that the holder -

(a) has contravened a term of the authorisation; or

(b) has contravened any provision of a notice which, in pursuance of section 41 or 42 of this Ordinance, was served on him in his capacity as the owner of the pipe-line or the proposed owner of the proposed pipe-line to which the authorisation relates,

the Governor may serve on the holder a notice stating that the authorisation is to cease to be in force at a time specified in the notice; but the Governor shall not serve such a notice on the holder in consequence of a contravention if the Governor considers that, having regard to the nature and consequences of the contravention and to any previous contravention, it would be unreasonable to terminate the authorisation in consequence of the contravention and that the holder has taken adequate steps to prevent similar contraventions in future.

44.(1) When an authorisation ceases to be in force the controlled pipe-line to which it relates shall, by virtue of this subsection, be transferred to and vest in the Crown free from encumbrances, except that nothing in this subsection prejudices any right conferred by a notice served in respect of the pipe-line in pursuance of section 42 of this Ordinance.

Vesting of pipe-lines on termination or subsequent issue of authorisation.

(2) Where the Governor proposes to issue an authorisation to any person in respect of a pipe-line vested in the Crown by virtue of subsection (1) he may agree with that person, on terms which may include provision for the making of payments by that person to the Governor, that the authorisation is to include a statement that this subsection applies to the authorisation; and where an authorisation includes such a statement the pipe-line to which the authorisation relates shall, by virtue of this subsection and at the time specified in that behalf in the authorisation, be transferred to and vest in the holder of the authorisation subject to any interest or right then subsisting in respect of the pipe-line by virtue of subsection (1).

(1975, c.74, s.25).

45.(1) Any person who -

*Enforcement.
(1975, c.74, s.28).*

(a) contravenes any provision of section 39 of this Ordinance; or

(b) contravenes any provision of a notice which, in pursuance of section 41 or 42 of this Ordinance was served on him in his capacity as the owner of the pipe-line or the proposed owner of the proposed pipe-line to which the notice relates in a case where no authorisation for the use of the pipe-line is required by section 39 of this Ordinance; or

(c) makes a statement which he knows is false in a material particular, or recklessly makes a statement which is false in a material particular, for the purpose of inducing the Governor -

(i) to issue any authorisation; or

(ii) to agree in pursuance of section 43(1)(b) of this Ordinance that an authorisation is to cease to be in force; or

(iii) to specify a period in pursuance of section 43(2)(b) of this Ordinance; or

(iv) not to serve a notice in pursuance of section 43(4) of this Ordinance,

commits an offence and is liable on conviction of that offence to a fine without limit.

(2) If a person executes any works in contravention of section 39 of this Ordinance the Governor may at any time serve on him a notice requiring him to comply with one or both of the following requirements, namely -

(a) to remove such of the works as are specified in the notice as works to be removed;

(b) to take, in respect of such of the works as are specified in the notice as works which the Governor considers are unsafe, such steps as are specified in the notice as steps which the Governor considers are needed in order to make the works safe.

(3) It shall be the duty of the recipient of a notice in pursuance of the preceding subsection to comply with the notice within the period specified in that behalf in the notice; and if he fails to perform that duty the Governor may comply with the notice on his behalf and recover from him any expenses reasonably incurred in doing so.

(4) If a person executes any works in contravention of section 39 of this Ordinance and the Governor considers that it is urgently necessary to do such things in relation to the works as he could have required that person to do by a notice in pursuance of subsection (2) of this section, the Governor may do those things and recover from that person any expenses reasonably incurred in doing so.

(5) The fact that any thing is done or omitted -

(a) by the recipient of a notice served in pursuance of subsection (2) of this section for the purpose of complying with the notice; or

(b) by the Governor in pursuance of subsection (3) or (4) of this section,

shall not relieve him from liability for any damage which is attributable to the act or omission and for which he would have been liable had the act or omission not been authorised by this section; but the Governor shall be entitled to recover from the person who executed the works in question the amount of any damages which, in consequence of the works, are paid by the Governor by virtue of this subsection.

46.(1) Breach of a duty imposed on any person by a provision of regulations which are made in pursuance of this Part of this Ordinance and which state that this subsection applies to such a breach shall be actionable so far, and only so far, as the breach causes personal injury; and references in section 1 of the Fatal Accidents Act 1846 to a wrongful act, neglect or default shall include references to any such breach which is so actionable.

*Civil liability
for breach of
statutory duty.
(1975, c.74, s.30).*

(2) Nothing in the preceding subsection prejudices any action which lies apart from the provisions of that subsection.

(3) A defence to a charge which is available by virtue of regulations made under this Ordinance in relation to any provision of this Part creating the offence charged shall not be a defence in any civil proceedings which are brought either in pursuance of this section or otherwise.

(4) For the purposes of subsection (1) of this section any such regulations as are mentioned in that subsection shall bind the Crown, and references in those regulations to employees shall for those purposes include persons in the service of the Crown.

PART V

ABANDONMENT OF OFFSHORE INSTALLATIONS

47.(1) In this Part

*Interpretation
of Part V.*

(a) "abandonment programme" has the meaning given by section 48;

(1987, c.12, s.16)

(b) "offshore installation" has the meaning given by section 2(1); and

(c) "submarine pipe-line" means a pipe-line within the meaning given by section 38(1) which is in, under or over the controlled waters.

(2) This Part applies -

(a) so far as it applies to individuals, applies to them whether or not they are British citizens or British dependent territories citizens.

(b) so far as it applies to bodies corporate, applies to them whether or not they are incorporated under the law of the Falkland Islands.

(3) Any reference in any provision of this Part to a provision of this Ordinance includes a reference to any provision which, by virtue of any Order or regulation made or having effect by virtue of section 36, for the time being replaces that provision and where a provision of this Ordinance referred to in a subsequent provision of this Part has been modified by such or any such regulation the reference to it includes a reference to that provision as so modified.

48.(1) The Governor may by written notice require -

*Preparation of
programmes.*

(a) the person to whom the notice is given, or

(1987, c.12, s.1)

(b) where notices are given to more than one person, those persons jointly,

to submit to the Governor a programme setting out the measures proposed to be taken in connection with the abandonment of an offshore installation or submarine pipe-line (an "abandonment programme").

(2) A notice under subsection (1) shall either specify the date by which the abandonment programme is to be submitted or provide for it to be submitted on or before such date as the Governor may direct.

(3) A notice under subsection (1) may require the person to whom it is given to carry out such consultations as may be specified in the notice before submitting an abandonment programme.

(4) An abandonment programme -

- (a) shall contain an estimate of the cost of the measures proposed in it;
- (b) shall either specify the times at or within which the measures proposed in it are to be taken or make provision as to how those times are to be determined;
- (c) if it proposes that an installation or pipe-line be left in position or not wholly removed, shall include provision as to any continuing maintenance that may be necessary.

(5) A person who submits an abandonment programme to the Governor under this section shall at the same time pay to him such fee in respect of his expenditure under this Part of this Ordinance as may be determined in accordance with regulations under section 58.

(6) The Governor may exercise his powers under this section notwithstanding that an abandonment programme has previously been submitted for the installation or pipe-line in question, but only if he rejected that programme under section 51 or has withdrawn his approval of it under section 54.

49.(1) A notice under section 48(1) shall not be given to a person in relation to the abandonment of an offshore installation unless at the time when the notice is given he is within any of the following paragraphs -

Persons who may be required to submit programmes.

(a) the person who has registered the installation pursuant to section 23 of this Ordinance (or, if appropriate, that section modified, amended or replaced as may be under section 36) or, if there is no such person, the person having the management of the installation or of its main structure;

(1987, c.12, s.2).

(b) a person who is a concession owner in relation to the installation for the purposes of this Ordinance, or who was a concession owner for those purposes when a relevant offshore activity was last carried on from, by means of or on the installation;

(c) a person outside paragraphs (a) and (b) who is a party to a joint operating agreement or similar agreement relating to rights by virtue of which a person is within paragraph (b);

(d) a person outside paragraphs (a) and (c) who owns any interest in the installation otherwise than as security for a loan;

(e) a company which is outside paragraph (a) to (d) but is associated with a company within any of those paragraphs.

(2) A notice under section 49(1) shall not be given to a person in relation to the abandonment of a submarine pipe-line unless at the time when the notice is given he is within any of the following paragraphs -

(a) a person designated as the owner of the pipe-line by an Order made by the Governor in pursuance of section 38(3) of this Ordinance;

(b) a person outside paragraph (a) who owns any interest in the whole or substantially the whole of the pipe-line, otherwise than as security for a loan;

(c) a company which is outside paragraphs (a) and (b) but is associated with a company within one of those paragraphs.

(3) The Governor may by written notice require a person appearing to the Governor to be within any of the paragraphs of subsection (1) or (2) to give him, within such time as may be specified in the notice, the name and address of every other person whom the recipient of the notice believes to be within any of those paragraphs in relation to the installation or pipe-line concerned.

(4) A person who without reasonable excuse fails to comply with a notice under subsection (3) commits an offence.

(5) For the purposes of this section, one company is associated with another if one of them controls the other or a third company controls both of them; and one company controls another if it possesses or is entitled to acquire -

- (a) one half or more of the issued share capital of the company,
- (b) such rights as would entitle it to exercise one half or more of the votes exercisable in general meetings of the company,
- (c) such part of the issued share capital of the company as would entitle it to one half or more of the amount distributed if the whole of the income of the company were in fact distributed among the shareholders, or
- (d) such rights as would, if the event of the winding up of the company or in any other circumstances, entitle it to receive one half or more of the assets of the company which would then be available for distribution among the shareholders,

or if it has the power, directly or indirectly, to secure that the affairs of the company are conducted in accordance with its wishes.

(6) In determining whether, by virtue of subsection (5), one company controls another, the first-mentioned company shall be taken to possess -

- (a) any rights and powers possessed by a person as nominee for it, and
- (b) any rights and powers possessed by a company which it controls (including rights or powers which such a company would be taken to possess by virtue of this paragraph).

50.(1) Subject to subsection (3), the Governor shall not give a notice under section 48(1) in relation to an offshore installation to a person within paragraph (d) or (e) of section 49(1) if the Governor has been and continues to be satisfied that adequate arrangements (including financial arrangements) have been made by a person or persons within paragraph (a), (b) or (c) to ensure that a satisfactory abandonment programme will be carried out.

*Section 48
notices: supplementary
provisions. (1987,
c.12, s.3).*

(2) Subject to subsection (3), the Governor shall not give a notice under section 48(1) in relation to a submarine pipe-line to a person within paragraph (b) or (c) of section 49(2) if the Governor has been and continues to be satisfied that adequate arrangements (including financial arrangements) have been made by a person or persons within paragraph (a) to ensure that a satisfactory abandonment programme will be carried out.

(3) Subsections (1) and (2) shall not apply if there has been a failure to comply with a notice under section 48(1) or if the Governor has rejected a programme submitted in compliance with such a notice.

(4) The Governor shall not give a notice to a person under section 48(1) without first giving him an opportunity to make written representations as to whether the notice should be given.

(5) Where the Governor has given notice under section 48(1) in relation to an installation or pipe-line, he may at any time before the programme required by it is submitted withdraw the notice or give (subject to the preceding provisions of this section) a further notice under section 48(1) (whether in substitution for or in addition to any notice already given); and if he does so he shall inform the recipients of any other notices which have been given in relation to that installation or pipe-line and not withdrawn.

(6) Neither the withdrawal of a notice given under section 48(1) nor the giving of a further notice shall relieve the recipient of any other notice of his duty to submit a programme (jointly, in a case where more than one notice is given and not withdrawn, with the recipients of the other notices).

51.(1) The Governor may either approve or reject a programme submitted to him under section 48. *Approval of programmes.*

(2) If he approves a programme, the Governor may approve it with or without modifications and either subject to conditions or unconditionally. *(1987, c.12, s.4).*

(3) Before approving a programme with modifications or subject to conditions, the Governor shall give the persons who submitted the programme an opportunity to make written representations about the proposed modifications or conditions.

(4) If he rejects a programme, the Governor shall inform the persons who submitted it of his reasons for doing so.

(5) The Governor shall act without unreasonable delay in reaching a decision as to whether to approve or reject a programme.

52.(1) If a notice under section 48(1) is not complied with, or if the Governor rejects a programme submitted in compliance with such a notice, the Governor may himself prepare an abandonment programme for the installation or pipe-line concerned. *Failure to submit programmes.*

(1987, c.12, s.5).

(2) With a view to exercising his powers under subsection (1) of this section, the Governor may by written notice require any of the persons to whom notice was given under section 48(1) to provide him, within such time as may be specified in the notice, with such records and drawings and such other information as may be so specified.

(3) A person who without reasonable excuse fails to comply with a notice under subsection (2) commits an offence.

(4) The Governor may recover from any of the persons to whom a notice was given under section 48(1) any expenditure incurred by the Governor in preparing an abandonment programme under this section, and any fee that would have been payable on the submission of a programme by those persons.

(5) A person liable to pay any sum to the Governor by virtue of subsection (4) shall also pay interest on that sum for the period beginning with the day on which the Governor notified him of the sum payable and ending with the date of payment.

(6) The rate of interest payable in accordance with subsection (5) shall be a rate determined by the Governor to be comparable with commercial rates.

(7) Where the Governor prepares an abandonment programme under this section, he shall inform the persons to whom notice was given under section 48(1) of its terms; and when he has done so, the following provisions of this Part of this Ordinance shall have effect as if the programme had been submitted by those persons and approved by the Governor.

53.(1) Where the Governor has approved a programme submitted to him under section 48 -

*Revision of
programmes.*

(a) either he or the persons who submitted it acting together may propose an alteration to the programme or to any condition to which it is subject, and

(1987, c.12, s.6).

(b) either he or any of those persons may propose that any person who by virtue of section 55 has a duty to secure that the programme is carried out shall cease to have that duty, or that a person who does not already have that duty shall have it (either in addition to or in substitution for another person).

(2) In the case of a proposal of the kind mentioned in subsection (1)(b), any person who would if the proposed change were made have a duty to secure that the programme is carried out must be a person who -

(a) if the programme relates to an offshore installation, is within paragraph (a), (b) (c), (d) or (e) of section 49(1) when the proposal is made, or has been within one of those paragraphs at some time since the giving of the first notice under section 48(1) in relation to the installation, and

(b) if the programme relates to a submarine pipe-line, is within paragraph (a), (b) or (c) of section 49(2) when the proposal is made, or has been within one of those paragraphs at some time since the giving of the first notice under section 48(1) in relation to the pipe-line.

(3) The Governor shall not propose that a person who is or has been within paragraph (d) or (e) (but no other paragraph) of section 49(1) or paragraph (b) or (c) (but not paragraph (a)) of section 49(2) shall have a duty to secure that a programme is carried out unless it appears to the Governor that a person already under that duty has failed or may fail to discharge it.

(4) A proposal under subsection (1) shall be made by written notice given -

(a) if the proposal is the Governor's to each of the persons by whom the programme was submitted, and

(b) in any other case, to the Governor;

and a person giving notice to the Governor shall at the same time pay to him such fee in respect of his expenditure under this Part of this Ordinance as may be determined in accordance with regulations under section 58.

(5) Where the Governor has made a proposal under subsection (1) (a), he shall give an opportunity to make written representations about it to each of the persons who submitted the programme.

(6) Where a proposal has been made under subsection (1)(b), the Governor shall give an opportunity to make written representations about it to every person (other than one who made the proposal) who will if the proposed change is made -

(a) have a duty to secure that the programme is carried out, or

(b) cease to have that duty.

(7) The Governor shall determine whether a change proposed under subsection (1) is to be made and shall then give notice of his determination, and of his reasons for it, to -

(a) every person who, before the determination was made, had a duty to secure the carrying out of the programme, and

(b) any person who has that duty as a result of the determination.

(8) Where the Governor determines that a change proposed in accordance with this section shall be made, this Part of this Ordinance shall thereafter have effect as if the programme had been approved by the Governor after being submitted under section 48 with the alterations, or as the case may be by the persons, specified in the determination.

54.(1) The Governor may at the request of one or more of the persons who submitted an abandonment programme withdraw his approval of the programme.

Withdrawal of approval

(2) If a request under subsection (1) is made by some but not all of the persons who submitted the programme, the Governor shall give the others an opportunity to make written representations as to whether his approval should be withdrawn.

(1987, c.12, s.7).

(3) The Governor shall after determining whether to withdraw his approval of an abandonment programme give notice of his determination to each of the persons who submitted the programme.

55. Where an abandonment programme is approved by the Governor, it shall be the duty of each of the persons who submitted it to secure that it is carried out and that any conditions to which the approval is subject are complied with.

*Duty to carry out programmes.
(1987, c.12, s.8).*

56.(1) If an abandonment programme approved by the Governor is not carried out or a condition to which the approval is subject is not complied with, the Governor may by written notice require any of the persons who submitted the programme to take such remedial action as may be specified in the notice within such time as may be so specified.

Default in carrying out programmes.

(1987, c.12, s.9).

(2) A person who fails to comply with a notice given to him under subsection (1) commits an offence unless he proves that he exercised due diligence to avoid the failure.

(3) If a notice under subsection (1) is not complied with, the Governor may carry out the remedial action required by the notice, and may recover any expenditure incurred by him in doing so from the person to whom the notice was given.

(4) A person liable to pay any sum to the Governor by virtue of subsection (3) shall also pay interest on that sum for the period beginning with the day on which the Governor notified him of the sum payable and ending with the date of payment.

(5) The rate of interest payable in accordance with subsection (4) shall be a rate determined by the Governor to be comparable with commercial rates.

57.(1) At any time after the Secretary of State has given a notice under section 48(1) to any person and before he has approved an abandonment programme for the installation or pipe-line concerned, he may by written notice require that person within such time as may be specified in the notice -

*Financial
resources.*

(1987, c.12, s.10).

(a) to provide such information relating to the financial affairs of that person, and

(b) to supply copies of such documents relating to those affairs,

as may be so specified.

(2) In order to satisfy himself that a person who has a duty to secure that an abandonment programme is carried out will be capable of discharging that duty, the Governor may at any time by written notice require that person, within such time as may be specified in the notice -

(a) to provide such information, and

(b) to supply copies of such documents,

as may be so specified.

(3) A person who -

(a) without reasonable excuse fails to comply with a notice under subsection (1) or subsection (2), or

(b) in purported compliance with such a notice provides information which he knows to be false in a material particular or recklessly provides information which is false in a material particular,

commits an offence.

(4) If the Governor is not satisfied that a person will be capable of discharging the duty imposed on him by section 55, he may by written notice require that person to take such action as may be specified in the notice within such time as may be so specified.

(5) The Governor shall not give notice to a person under subsection (4) without first giving him an opportunity to make written representations as to whether the notice should be given.

(6) A person who fails to comply with a notice under subsection (4) commits an offence unless he proves that he exercised due diligence to avoid the failure.

58.(1) The Governor may make regulations relating to the abandonment of offshore installations and submarine pipe-lines.

Regulations.

(1987, c.12, s.11).

(2) Without prejudice to the generality of subsection (1), regulations under this section may -

- (a) prescribe standards and safety requirements in respect of the dismantling, removal and disposal of installations and pipe-line;
- (b) prescribe standards and safety requirements in respect of anything left in the water in cases where an installation or pipe-line is not wholly removed;
- (c) make provision for the prevention of pollution;
- (d) make provision for inspection, including provision as to the payment of the costs of inspection;
- (e) make provision as to the determination of the amount of any fees that are payable to the Governor under this Part of this Ordinance.

(3) The provisions of subsection (2) are without prejudice to the general powers of the Governor in relation to regulations under this Ordinance provided in Part VI of this Ordinance.

59. A person who commits an offence under section 49, 52, 56 or 57 is liable on conviction of that offence to a fine without limit.

*Offences under
Part V.
(1987, c.12, s.12).*

60.(1) If any person is aggrieved by any of the acts of the Governor mentioned in subsection (2) and desires to question its validity on the ground that it was not within the powers of the Governor or that the relevant procedural requirements had not been complied with, he may within 42 days of the day on which the act was done make an application to the Supreme Court under this section.

*Validity of
Governor's acts.
(1987, c.12, s.14).*

(2) The acts referred to in subsection (1) are -

- (a) the giving of a notice under section 48(1);
- (b) the approval of a programme under section 51;
- (c) the rejection of a programme under section 51;
- (d) a determination under section 53;
- (e) a determination under section 54; and
- (f) the giving of a notice under section 57(4).

(3) If on an application under this section the Supreme Court is satisfied that the act in question was not within the powers of the Governor or that the applicant has been substantially prejudiced by a failure to comply with the relevant procedural requirements, the Supreme Court may quash the act.

(4) Except as provided by this section, the validity of any of the acts of the Governor referred to in subsection (1) of this section shall not be questioned in any legal proceedings whatsoever.

(5) In this section "the relevant procedural requirements" -

(a) in relation to the giving of a notice under section 48(1), means the requirements of section 50(4);

(b) in relation to the approval of a programme under section 51, means the requirements of section 51(3);

(c) in relation to the rejection of a programme under section 51, means the requirements of section 51(4);

(d) in relation to a determination under section 53, means the requirements of section 53(5), (6) and (7);

(e) in relation to a determination under section 54, means the requirements of section 54(2); and

(f) in relation to the giving of a notice under section 57(4) means the requirements of section 57(5).

PART VI

MISCELLANEOUS AND GENERAL

Gas

61.(1) In this section -

*Liquefaction
of natural gas*

(a) "offshore natural gas" means natural gas won under the authority of a licence granted under section 6 of this Ordinance, but does not include gas derived from offshore crude otherwise than as a by-product of crude stabilisation;

*(cf. 1976, c.76,
s.9).*

(b) "offshore crude" means crude liquid petroleum won from any place in offshore waters and whether within the controlled waters or not;

(c) "crude stabilisation" means the treating of offshore crude to enable it to be safely stored or transported.

(2) The Governor's consent is required for offshore natural gas to be subjected in the Falkland Islands to any process of liquefaction which results in the production of liquid methane or ethane.

(3) The Governor's consent under subsection (2) may be given either with reference to particular cases or by an Order or Orders of general application made under this subsection.

(4) A specific consent given to any person under subsection (2) (that is to say a consent given to him otherwise than by an Order of general application) may be expressed

(a) to be irrevocable;

(b) to be revocable in the manner and in the circumstances specified in that consent

(c) may, subject to paragraph (b) (as to revocation) be expressed to be -

(i) so as to be valid for a period specified in that consent, or

(ii) so as to be valid indefinitely.

(5) A general consent (that is to say by Order of general application) may be granted in any manner in which by virtue of paragraphs (a) and (c) of subsection (2) a specific consent may be granted and, in relation to any person undertaking liquefaction of offshore natural gas pursuant thereto, shall be revocable in the manner and in the circumstances specified in the Order but, on the application of any person the Governor may by Order under this subsection provide that in respect of that person and in relation to such liquefaction of offshore natural gas at such place or site as is specified therein, the general consent shall be irrevocable or irrevocable for such period as is specified in that Order.

(6) The Governor by Order under this subsection may make such provision -

(a) as to the construction, inspection and safety of operations at installations for the liquefaction of offshore natural gas;

(b) as to the health and safety at work of persons working at, or present at such installations, (which shall include power to apply with such modifications and exceptions as may be specified in such an Order Part I of the Health and Safety at Work etc. Act 1974 and any regulations made thereunder);

(c) as to the health and safety of persons living or working in the vicinity of any such installation;

(d) for the purpose of preventing or reducing the risk of accidental emission of methane or ethane into the atmosphere;

(e) for the protection of the environment (including flora or fauna) from damage by reason of the operation of any such installation;

(f) for imposing strict liability on the operator of any such installation as to such matters as may be specified therein,

as the Governor considers necessary or expedient, and any such Order may confer power upon the Governor to make regulations as to any matter as to which the Order could be made or for any purpose connected with the Order, including the creation of offences punishable in any manner specified in such regulations, in relation to the operation, construction and safety of such installations or as to the safety, health and welfare of persons working therein or living or working in the vicinity of such installations.

62.(1) In this section "gas" means gas -

(a) won under the authority of a licence granted under section 6; or

(b) derived from offshore crude (including gas derived as a product of crude stabilisation)

*Flaring of
offshore natural
gas.*

*(cf. 1976. c.76,
s.12).*

(2) Subject to subsection (3) the consent of the Governor is required for gas to be disposed of (whether at source or elsewhere) by flaring or by releasing it unignited into the atmosphere.

(3) Disposal of offshore natural gas does not require consent under this section if -

- (a) it is permitted under the conditions of a licence granted under section 6;
- (b) it is of refinery tail gas produced in refining crude liquid petroleum (and "refining" does not, for the purposes of this subsection, include the treatment of crude for the sole purpose of enabling it to be safely stored or transported); or
- (c) it is necessary in order to comply with a requirement imposed under this Ordinance or any other enactment.

(4) The Governor's consent under this section -

- (a) may be given either with reference to a particular case or cases or by an Order under this subsection of general application;
- (b) may (whether given with reference to a particular case or cases or by Order of general application) be made subject to conditions which, without prejudice to the generality of the conditions which may be imposed, may be framed by reference to the quantities of offshore natural gas to be disposed of.

(5) A person who -

- (a) requires consent under this section for the disposal of gas by flaring or release into the atmosphere;
- (b) without such consent or in contravention of the conditions of a consent of a kind mentioned in subsection (4)

disposes of gas by flaring it or releasing it into the atmosphere, commits an offence unless by virtue of the regulations made under this subsection he is excused in the circumstances of the particular case.

(6) A person who commits an offence under subsection (5) is liable on conviction of that offence to a fine without limit.

Planning permission

63.(1) For the sake of avoidance of doubt it is hereby declared that nothing in -

- (a) any licence granted under section 6;
- (b) any licence granted under section 11;
- (c) any authorisation to which section 40 relates;
- (d) any approval under section 61 or section 62

*Saving in
respect of
planning law.*

shall have effect so as to excuse the person to whom it is granted or given or who for the time being has or shares (and whether directly or indirectly) the benefit of the licence, authorisation, approval or consent, from any obligation under or requirement of or made under the Planning Ordinance 1991 which, apart from that licence, authorisation approval or consent, would have been an obligation or requirement he would have been bound in law to comply with or to perform.

(2) Without prejudice to the generality of the meaning of the words "obligation under or requirement of or made under the Planning Ordinance 1991" those words include -

(a) any obligation to seek and obtain planning permission for development (within the meaning given by that Ordinance); and

(b) any obligation to comply with the conditions of any planning permission granted under that Ordinance.

Environmental impact assessments and environmental impact statements

64.(1) For the purposes of this section -

*Environmental
impact assessments
and environmental
impact statements.*

(a) "an application" means an application to the Governor for any authority, dispensation, exemption, licence or permission for or in relation to any thing (including the exploration for or exploitation of any mineral and the abandonment or proposed abandonment of any offshore installation), any process (including the liquefaction of gas and the refining of petroleum) or works (including the enlargement or alteration of or of the capacity or capability of any offshore installation) which the Governor has authority to grant under any provision of this Ordinance or which is required under the conditions lawfully imposed by the Governor on the grant of any authority, dispensation, exemption, licence or permission which the Governor has granted under this Ordinance to any person and "applicant" has a corresponding meaning;

(b) "environment" includes -

(i) the environment of the controlled waters and its dependent or associated ecosystems;

(ii) the littoral and sub-littoral environment and its dependent or associated ecosystems;

(iii) the atmospheric environment;

(iv) the terrestrial environment in the Falkland Islands and its dependent or associated ecosystems and public amenity in relation to any persons residing in the Falkland Islands,

and without prejudice to the generality of the foregoing includes all matters related to marine, atmospheric or terrestrial pollution by any substance whatsoever and all matters mentioned in Schedule 4 as matters as to which information may be required in an environmental impact statement.

(c) "environmental impact assessment" means an assessment commissioned by the Governor under subsection (2);

(d) "environmental impact statement" means a statement prepared by or on behalf of the applicant pursuant to a requirement made by the Governor under subsection (3) and dealing with all, or such as the Governor may require of the matters mentioned in paragraph 2 of Schedule 4.

(2) The Governor may, if he considers that the environment might be substantially affected were he to grant an application, cause an environmental impact assessment to be prepared and submitted to him by such person or persons as the Governor directs and in relation to the likely adverse and beneficial effects upon the environment if the application were to be granted, and Schedule 4 shall have effect as to the matters to be dealt with by an environmental impact assessment.

(3) In the circumstances in which the Governor, may under subsection (2) himself commission an environmental impact assessment, the Governor may additionally or instead by notice in writing served upon the applicant require the applicant to submit to the Governor an environmental impact statement.

(4) Subject to section 65(3) where the Governor has commissioned an environmental impact assessment under subsection (2) or required the applicant under subsection (3) to submit an environmental impact statement, the Governor shall defer consideration of the application in accordance with section 65(4).

(5) This section has effect without prejudice to any power of the Governor under any other provision of this Ordinance to require the applicant to furnish an environmental impact statement.

(6) Schedule 4 has effect as to the information which may be required to be contained in an environmental impact assessment or environmental impact statement.

65.(1) Whenever the Governor commissions an environmental impact assessment under section 64(2), the Governor shall -

Provisions as to notifications in relation to environmental impact assessments and environmental impact statements.

(a) notify the person or persons commissioned to prepare that assessment of -

- (i) the matters with which that assessment is to deal;
- (ii) the period of time (which shall not exceed three months) within which the assessment is to be delivered to the Governor; and
- (iii) of any other requirements the Governor sees fit to make in relation to the formal contents of the assessment;

(b) notify the applicant of -

- (i) the fact that he has commissioned an environmental impact assessment;
- (ii) the matters notified under sub-paragraphs (i), (ii) and (iii) of paragraph (a);

(c) publish a notice in the Gazette of -

- (i) the application in relation to which he has commissioned it; and
- (ii) the matters notified under subparagraphs (i), (ii) and (iii) of paragraph (a).

(2) A notice to the applicant under section 64(3) shall -

- (a) state the reasons for the Governor requiring the environmental impact statement;
- (b) specify the matters with which the environmental impact statement shall deal and these may -
 - (i) require the applicant to state the applicant's intentions as to the protection of the environment;
 - (ii) require the applicant to state the likely beneficial or adverse impact in the applicants's view, if the proposed proposals the subject of the application were carried out; and
 - (iii) require the applicant to state his proposals (if any) as to measures to be taken by the applicant or on the applicants behalf to prevent or lessen any adverse impact on the environment; and
 - (iv) require the applicant to deal with the statement with any other matter mentioned in Schedule 6; and
 - (v) state the period within which the statement is to be delivered to the Governor.

(3) The Governor shall not exercise his powers under section 64(3) so as to require the applicant to furnish an environmental impact statement if -

- (a) the applicant has furnished an environmental impact statement under section 33 of the Planning Ordinance 1991 in connection with an application for planning permission relating to the same or substantially the same matter; or
- (b) the applicant has voluntarily furnished an environmental impact statement with or in connection with his application,

but the Governor may treat an environmental impact statement so furnished by the applicant as if it had been furnished pursuant to a requirement made by the Governor under section 64(3).

(4) Whenever the Governor has commissioned an environmental impact assessment or required the applicant to furnish an environmental impact statement he shall not decide upon the application until he has considered the environmental impact assessment or environmental impact statement and any written representations the Governor has received in relation to them pursuant to section 66.

66.(1) Whenever the Governor receives an environmental impact assessment commissioned by him under section 64(2) he shall -

- (a) serve a copy of it upon the applicant;
- (b) notify the applicant that the applicant may within such period as is specified in the notification (not being less than 28 days) make written representations to the Governor in relation to the contents of and any recommendations contained in the environmental impact assessment,

*Further action
in relation to
environmental impact
assessments and
environmental impact
statements.*

and the Governor shall not decide upon the application without having taken into account any written representations of the applicant made pursuant to that notification.

(2) Whenever the Governor receives an environmental impact statement from the applicant pursuant to a requirement under section 64(3) or pursuant to section 65(3) treats an environmental impact statement previously furnished by the applicant as if it had been furnished pursuant to such a requirement the Governor may, if he thinks fit, publish the environmental impact statement in such manner as he thinks fit and invite any person who wishes to do so to make within 42 days written representation to him in relation to the contents of the environmental impact statement and, in particular as to the applicant's intentions stated therein as to the protection of the environment.

(3) Whenever the Governor receives any written representations pursuant to subsection (2) of this section, he shall serve a copy of them upon the applicant and shall inform the applicant that he may make written representations to the Governor in reply within 28 days of such service and that the Governor will take any such written representations in reply into account in deciding upon the application.

67.(1) The Governor, when dealing with an application in relation to which the applicant has furnished an environmental impact statement (and whether pursuant to a requirement under section 71(3) or otherwise), may require the applicant to provide such further information as the Governor may specify concerning any matter which is required to be, or may be, dealt with in the environmental impact statement.

*Further
information and
evidence.*

(2) The Governor may in writing require an applicant to produce such evidence as he may reasonably call for to verify any information in the applicant's environmental impact statement.

(3) For the purposes of section 65(4) and 66(2), further information furnished pursuant to subsection (1) of this section and evidence furnished pursuant to subsection (2) of this section shall be treated as forming part of the applicant's environmental impact statement.

Diving operations

68.(1) The Governor may make regulations in relation to diving operations -

*Regulations as
to diving operations.*

(a) carried on in the controlled waters in connection with pipe-lines or works associated with pipe-lines in the controlled waters;

(b) carried on in the controlled waters in or in connection with other offshore installations or proposed offshore installations.

(2) Subsection (1) has effect without prejudice to the exercise by the Governor of any other power under this Ordinance, which might have effect so as to enable him to make such regulations.

(3) The powers of the Governor under subsection (1) to make regulations include power by such regulations to apply, with modifications and exceptions specified in regulations so made -

(a) the Submarine Pipe-lines (Diving Operations) Regulations 1976; and

(b) the Diving Operations at Work Regulations 1981, as amended by the Diving Operations at Work (Amendment) Regulations 1992.

General provisions in relation to offences

69.(1) The Magistrate's Court and the Summary Court shall each have jurisdiction to try and determine all offences under this Ordinance.

*Jurisdiction
of the courts.*

(2) The Magistrate's Court on convicting a person of an offence under this Ordinance may sentence that person to pay a fine up to the maximum amount provided by this Ordinance in respect of that offence, but the Summary Court shall not on convicting a person of an offence under this Ordinance order him to pay a fine of an amount greater than -

(a) (subject to an Order under Subsection (3) of this section) £50,000; or

(b) the maximum fine provided by this Ordinance in respect of that offence, whichever be the less

(3) The Governor may by Order under this subsection substitute an increased sum for the sum of £50,000 appearing in paragraph (a) of subsection (2).

70.(1) All offences under this Ordinance shall be tried summarily.

*Procedure in
respect of offences.*

(2) Subject to section 69 and section 72, the general law of the Falkland Islands in respect of the powers and procedure of the Magistrates' Court and of the Summary Court respectively in and in connection with the offences tried summarily shall apply in and in connection with proceedings in respect of offences under this Ordinance commenced in those courts.

71.(1) Any proceedings in respect of an offence under this Ordinance shall be commenced within three years from the date on which it is alleged to have been committed and if a court on trying an alleged offence is not satisfied that the offence was committed within the period of three years preceding the commencement of the proceedings, the court shall dismiss the proceedings.

*Limitation on
commencement of
proceedings for
offences.*

(2) For the purposes of subsection (1), proceedings shall be taken as having been commenced in respect of the accused in question on the date on which the complaint or information by or on behalf of the prosecutor alleging the offence by the accused was delivered to the court.

72.(1) Any provision of this Ordinance which provides that on conviction of an offence to which that provision relates the offender is to be liable to pay a fine without limit shall have effect so as to enable the convicting court, subject to subsection (2) and (3) of this section -

*Fines without
limit.*

(a) in the case of the Summary Court, to order the offender to pay a fine of an amount not exceeding the maximum amount which that court is by virtue of section 69(2) and (3) for the time empowered to order the offender to pay; and

(b) in the case of the Magistrate's Court, to order the offender to pay a fine of any amount it sees fit without any limitation on the maximum amount it may order the offender to pay by way of fine.

(2) Before ordering a person to pay a fine after convicting him of an offence under this Ordinance, the court shall inquire into and take into account the means of the offender to pay that fine, but if the offender refuses to furnish to the Court such information as to his means as the court may reasonably require or does not furnish that information within such reasonable period of time as the Court may order, the Court may order that person to pay such fine as if considers fit without regard to the preceding provisions of this subsection, but without prejudice to any power of the Court under any other law at any later time to reduce or remit that fine or any part of it upon the offender making application to it so to do and providing to the Court such evidence or information as to his means as the Court may reasonably require.

73. Where a body corporate has committed an offence under this Ordinance and that offence is proved to have been committed with the consent or connivance of, or to be attributable to any neglect on the part of, any director, manager, secretary or other similar officer of the body corporate or any person who was purporting to act in such a capacity he, as well as the body corporate, has committed that offence and shall be liable to be proceeded against and punished accordingly.

*Offences by
bodies corporate:
liability of
directors and
others.*

74.(1) No prosecution for an offence under this Ordinance shall be brought except by, or with the consent of, the Attorney General.

*Consent for
prosecutions.*

(2) Subsection (1) has effect without prejudice to section 3 of the Territorial Waters Jurisdiction Act 1878 (which in certain cases requires the leave and certificate of the Governor in relation to prosecutions for offences committed within the territorial sea), but subsection (1) has effect in addition to that section.

Subsidiary legislation

75.(1) Any power conferred by any provision of this Ordinance to make any subsidiary legislation ("that power") shall be construed as including power at any later time -

*Subsidiary
legislation: general
provisions.*

(a) to revoke any subsidiary legislation made under that power or any provision of that subsidiary legislation;

(b) to replace any subsidiary made under that power with further subsidiary legislation made under that power; and

(c) where any subsidiary legislation is not wholly revoked, to amend, modify or augment any provisions of that subsidiary legislation not revoked by further subsidiary legislation made under that power,

but where a provision of this Ordinance provides that subsidiary legislation under it may only be made with the consent or approval of the Secretary of State, the like consent or approval is required in relation to any subsidiary legislation which does any of the things mentioned in paragraphs (a), (b) and (c) of this subsection.

(2) Where a provision of this Ordinance conferring power to make subsidiary legislation under it requires the consent or approval of the Secretary of State to the exercise of the power or to the provisions of the subsidiary legislation made under that power, and it is shown that subsidiary legislation was made under that power it shall be conclusively presumed that the required consent or approval was obtained before that subsidiary legislation was made.

(3) Any power conferred by this Ordinance to make any subsidiary legislation may be exercised -

(a) either in relation to all cases to which the power extends, or to all those cases subject to specified exception, or in relation to any specified case or classes of case; and

(b) so as to make, as respects the case in relation to which it is exercised -

(i) the full provision to which the power extends or any less provision (whether by way of exception or otherwise);

(ii) the same provision for all cases in relation to which the power is exercised, or different provision for different cases or different classes of case, or different provision as respects the same case or class of case for different purposes of this Ordinance;

(iii) any such provision either unconditionally, or subject to any specified condition,

and includes power to make such incidental or supplemental provision in the orders or regulations as the Governor considers appropriate.

(4) Where any subsidiary legislation is expressed to be made under a particular provision of this Ordinance it shall be deemed also to be expressed to be made under any other provision of this Ordinance enabling it to be made.

(5) Any power contained in this Ordinance to make subsidiary legislation includes power by that subsidiary legislation to apply, with such modifications and exceptions as may be specified in that subsidiary legislation, the provisions of any statutory instrument made under any provision of any United Kingdom enactment corresponding to the provision of this Ordinance under which the subsidiary legislation is made.

76.(1) Any power conferred by any provision of this Ordinance to make subsidiary legislation includes power by subsidiary legislation made under that power to provide by any provision of that legislation that a contravention of such provision or provisions of that subsidiary legislation as is or are specified by the first mentioned provision shall constitute an offence punishable by such fine, not exceeding £100,000, as is specified in relation to that contravention.

*Subsidiary
legislation: creation
of offences: provisions
imposing civil
liability.*

(2) Any power conferred by any provision of this Ordinance to make subsidiary legislation includes power by any subsidiary legislation made under that power to provide that a person contravening such of its provisions as are specified by any provision of that subsidiary legislation shall be civilly liable to any person suffering loss by reason of that contravention.

77.(1) Any subsidiary legislation made under this Ordinance may prescribe forms to be used for the purposes specified in that subsidiary legislation and may prescribe fees of such amount as are therein specified and in or in connection with the matters mentioned in the subsidiary legislation.

*Forms, fees and
costs.*

(2) Any subsidiary legislation providing for a public or other inquiry to be held into any matter may confer power upon the person or persons appointed to conduct that inquiry to order such person or persons as he or they think fit to pay such sum as he or they think fit or limited as may be specified therein in relation to the costs of conducting the inquiry (including the costs relating to the representation of other persons at or in relation to the inquiry) and may provide for the enforcement of any such order.

Payments under this Ordinance

78.(1) All payments made to the Governor under any provision of this Ordinance shall be paid into the Consolidated Fund.

*Payments to
and by Governor.*

(2) All payments made by the Governor under any provision of this Ordinance shall be paid out of the Consolidated Fund.

(3) Where, by virtue of any provision of this Ordinance, the Governor is under an obligation to make a payment to any person, the amount of that payment, if not provided for by an Appropriation Ordinance, is charged upon the Consolidated Fund.

Notices

79.(1) Any notice or other communication authorised or required to be given by any provision of this Ordinance may be sent -

Notices.

(a) by post;

(b) or by electronic mail (including telephonic facsimile transmission); or

(c) delivered to the addressee;

(2) In the case of any notice or other communication sent by post within the Falkland Islands by any person to an addressee in the Falkland Island, it shall be deemed to have been received by the addressee, unless the contrary is proved, no later than the third business day following the day on which it is proved to have been posted.

(3) In the case of any notice or other communication sent by post where either the sender or the addressee are not within the Falkland Islands, it shall be deemed to have been received by the addressee, unless the contrary is proved, no later than the tenth business day following the day on which it is proved to have been posted.

(4) In the case of any notice or other communication sent by electronic mail, it shall be deemed to have been received at nine in the morning on the business day following the day on which it is proved to have been received by the addressee's receiving equipment or, if earlier acknowledged by or on behalf of the addressee, at the time on the day the sender of the notice or communication received the acknowledgment.

(5) Where under the provisions of section 80(1)(a) or of regulations made under section 80(1)(b) an agent has been appointed and a notice or other communication has been posted, sent by electronic mail or delivered to that agent on account or in respect of the person appointing him pursuant to that section, that person shall be deemed to have received that notice or communication at the same time as he would, in accordance with the foregoing provisions of this section be taken to have received it if he himself were the agent he has appointed.

80.(1) The Governor may -

(a) by a condition of a licence under 6; or

(b) by regulations under this section,

require any licensee who is not

(i) a living person ordinarily resident in the Falkland Islands;

(ii) a company incorporated under the laws of the Falkland Islands; or

(iii) a company registered under Part X of the Companies Act 1948 in its application to the Falkland Islands (foreign or overseas company to register and appoint agents for the service of process),

to appoint a person of a kind mentioned in sub-paragraph (i) as or its agent and so often as may be necessary to appoint another person in place of a person so appointed

(2) Where a company has -

(a) pursuant to Part X of the Companies Act 1948;

(b) pursuant to a condition of a licence under section 6; or

(c) pursuant to regulations made under subsection (1) of this section,

*Appointment of
person to receive
notices.*

appointed a person for the purpose of accepting or receiving service of any notice or proceedings which might otherwise have been given to or served upon the licensee, any notice or communication under this Ordinance or process civil or criminal shall for all purposes be taken to have been duly served or given to the licensee if it is shown to have been served upon or given to the person appointed as mentioned in this subsection.

Repeal and saving

81.(1) Subject to subsection (2) of this section, the Continental Shelf Ordinance 1991 is repealed.

*Repeal of the
Continental Shelf
Ordinance 1991:
saving as to
regulations.*

(2) Notwithstanding the repeal of the Continental Shelf Ordinance 1991, the Petroleum Survey (Model Clauses) Regulations 1992 (which were made under that Ordinance) shall continue to have effect as if they had been made under section 7 of this Ordinance.

SCHEDULE 1 (Section 14)

STRICT LIABILITY FOR CERTAIN LOSS OR DAMAGE ETC

1. Subject to subsequent paragraphs of this Schedule, an operator shall be strictly liable (that is to say liable in law without proof of negligence on his part being necessary so as to establish his liability) for -

- (a) damage to the environment of the controlled waters or of the Falkland Islands or their dependent or associated ecosystems arising from exploration or exploitation of minerals in the controlled waters, including payment in the event that there has been no restoration of the *status quo ante*;
- (b) loss or impairment of an established use referred to in paragraph 7 of this Schedule and arising directly out of damage described in sub-paragraph (a) of this paragraph;
- (c) loss of or damage to property of a third party or loss of life or personal injury of a third party arising directly out of damage described in sub-paragraph (a) of this paragraph;
- (d) reimbursement of reasonable costs by whomsoever incurred relating to necessary response action, including prevention, containment and clean up and removal measures, and action taken to restore the *status quo ante* where exploration for or exploitation of minerals undertaken by the operator in the controlled waters result in or threaten to result in damage to the environment of the controlled waters or of the Falkland Islands or their dependent or associated ecosystems.

2. An operator is not liable pursuant to paragraph 1 of this Schedule if the operator proves that the damage has been caused by (but only to the extent that the operator shows that it has been caused directly by) -

- (a) an event constituting in all the circumstances of the controlled waters a natural disaster of an exceptional character which could not have been foreseen; or
- (b) armed conflict or an act of terrorism directed against the activities of the operator and against no reasonable precautionary measures could have been effective.

3. If an operator proves that the damage has been caused totally or in part by an intentional or grossly negligent act or omission of the party seeking redress, the operator is thereby relieved from its obligation by virtue of paragraph 1 of this Schedule to pay compensation in respect of the damage suffered by that party (but this paragraph does not affect any liability of the operator to pay compensation arising other than by virtue of paragraph 1 of this schedule.

4. Where compensation has been paid or is payable otherwise than by virtue of paragraph 1 of this schedule the operator shall be entitled to set-off against -

(a) any liability to pay compensation under paragraph 1 of this Schedule, any payment of compensation the operator or any other operator has made to the party claiming compensation under any liability arising other than by virtue of paragraph 1 of this schedule;

(b) any liability to pay compensation otherwise than by virtue of paragraph 1 of this Schedule, any payment of compensation the operator or any other operator has made to the party claiming compensation by virtue of paragraph 1 of this Schedule, but only if, and to the extent that, the earlier payment of compensation was in respect of the same damage.

5. Where more than one operator is liable to pay compensation by virtue of paragraph 1 to any party claiming compensation, subject to this Schedule, every operator is jointly and severally liable so to do but each operator is entitled to set-off against his own liability the amount of any compensation already paid by another operator in respect of the same damage to the same claiming party.

6. In this Schedule, "damage to the environment of the controlled waters or of the Falkland Islands" means any impact on the living or non-living components of the environment of the controlled waters or of the Falkland Islands or the ecosystems of the controlled waters or the Falkland Islands and includes harm to atmospheric, marine or terrestrial life, provided always that damage which, in all the circumstances, ought on any reasonable view to be regarded as negligible shall be deemed to be excluded from the foregoing definition.

7. The established uses referred to in sub-paragraph (b) or paragraph 1 are -

(a) the conservation, including rational use, of living resources of the controlled waters or of the Falkland Islands, and whether those living resources are marine, terrestrial or amphibious;

(b) tourism; and

(c) navigation and aviation.

8. Nothing in this Schedule shall have effect so as to relieve any operator of any liability in law he would have had if this Schedule had not been enacted.

Protection of officers

9. An officer shall not be liable in any civil or criminal proceedings for anything done in the purported performance of his functions under this Ordinance if the court is satisfied that the act was done in good faith and that there were reasonable grounds for doing it.

SCHEDULE 2 (Section 27(3))

(2) The creation of any right to inspect, or take extracts from, any such records, and the admissibility in evidence of, or of certified extracts of, any such records.

12. The making of returns and the giving of information, and in particular the making of returns to the Registrar General of Shipping and Seamen of deaths, including presumed deaths; and the duties of the Registrar General as respects such returns.

13. The display and posting of copies of, or of digests of, sections 22 to 29 of this Ordinance and regulations made under sections 23, 24, 25 and 27 of this Ordinance.

14. The punishment of forgery or falsification of documents, and of other offences as respects forged or falsified documents, where the documents are, or purport to be, made under the purposes of the regulations.

15. The regulations may, in prescribing standards of safety, or in imposing other requirements, refer to, and make obligations depend on, the provisions of any recognised industrial code of practice for the time being in force.

SCHEDULE 3 (Section 40(1), 41(3) and 43(3))**AUTHORISATION IN PURSUANCE OF SECTION 40(1)
PART I****WORKS AUTHORISATIONS**

1. Provision may be made by regulations as to the manner in which an application for a works authorisation is to be made and to the information to be included or furnished in connection with an application; and, without prejudice to the generality of the power to make regulations conferred by the preceding provisions of this paragraph, regulations in pursuance of this paragraph may require the payment of fees in connection with an application.

2. On receiving an application for a works authorisation, the Governor shall -

(a) decide whether the application is to be considered further or rejected;

(b) serve notice of his decision on the applicant and -

(i) if the Governor has decided that the application is to be considered further, he shall in that notice give to the applicant such directions as the Governor, for the purposes of paragraph 3 of this Schedule, considers appropriate, but

(ii) if the Governor has decided to reject the application, he shall in that notice include a statement of his reasons for doing so unless, having consulted the Secretary of State and acting in accordance with such advice as the Secretary of State then gives to him, the Governor considers that it would be contrary to the national interest to state the reasons for the rejection of the application (and, that in case, the notice shall state that the Governor is of that view).

3. If the Governor has, in pursuance of paragraph 2 of this Schedule notified the applicant that the application is to be considered further, the applicant shall, in compliance with the directions of the Governor contained in that notice -

(a) publish in such manner as the Governor has directed in that notice, a notice which -

(i) contains such particulars of the applicant as the Governor has so directed;

(ii) states that representations with respect to the application may be made to the Governor within the period of 28 days beginning with the date of the first publication of the notice or within such longer period as the Governor may have directed in his notice to the applicant;

(iii) states where the map mentioned in sub-paragraph (b) of this paragraph may be inspected during the period within which written representations to the Governor may be made;

(b) secure that a map of such scale and containing such particulars as the Governor has directed in the notice to the applicant may be inspected by the public, free of charge between the hours of 10.00 a.m. to 4.00 p.m. on each day (Saturdays, Sundays and public holidays in the relevant place being excluded) and

(c) serve a copy of the notice (together, if the Governor has so directed, with a copy of the map) on such persons, if any, as the Governor has directed; and, in any case

(d) send a copy of the notice so published, together with a copy of the map, to the Governor,

and the Governor shall not further consider the application until -

(i) he is satisfied that the applicant has complied with sub-paragraphs (a), (b), (c) and (d) of this paragraph, and

(ii) the period for written representations to be made to the Governor, specified in the applicant's notice in accordance with sub-paragraph (b) (ii) of this paragraph, has expired.

4. Where the Governor has decided that an application for a works authorisation is to be considered further and is of opinion either -

(i) of his own initiative (except in relation to the purpose mentioned in paragraph 6(b) of this Schedule), or

(ii) in consequence of written representations made to him by the applicant or by any other person -

(a) that the route proposed for the pipe-line or part of it in the application should be altered in a particular manner for any of the purposes mentioned in paragraph 6 of this Schedule; or

(b) that the capacity proposed for the pipe-line or part of it in the application should be increased for any of the purposes mentioned in sub-paragraphs (b) to (e) of paragraph 6 to this Schedule,

the Governor shall, before deciding whether to issue an authorisation in consequence of the authorisation, serve notice of his opinion on the applicant and, where the opinion relates to an alteration of the route proposed for the pipe-line or part of it, on any persons whom the Governor considers are likely to be affected by the alteration or any person appearing to the Governor to represent such persons.

5. Where, in pursuance of paragraph 4 of this Schedule, the Governor serves notice of his opinion on any person, the Governor shall -

(a) where the notice is served on the applicant, give to the applicant an opportunity of being heard with respect to that opinion; and

(b) where the notice is served on any other person, state in that notice that representations in writing with respect to that opinion may be made to the Governor within a period which shall be stated in that notice,

and where a person is heard in pursuance of sub-paragraph (a) of this paragraph -

(i) the hearing shall be by a person or persons appointed by the Governor for the purpose of conducting the hearing and of reporting to the Governor or thereon; and

(ii) the Governor may give to such other persons as he thinks fit, if any, an opportunity to be heard at the hearing.

6. The purposes referred to in paragraph 4 of this Schedule are -

(a) the avoidance or reduction of danger to -

(i) navigation;

(ii) persons engaged in fishing;

(iii) vessels and equipment used for fishing;

(iv) some structure or equipment (which may be the pipe-line); or

(v) marine (including littoral) flora or fauna;

(b) where it appears to the Governor that persons other than the applicant wish to use the pipe-line, the facilitation of the use of the pipe-line by such persons;

(c) the avoidance or reduction of interference with -

(i) fishing;

(ii) exploration for or exploitation of mineral resources in the controlled waters or the sea-bed or subsoil thereof;

(iii) any other legitimate use of the controlled waters or the sea-bed or subsoil thereof;

(d) the international obligations of or relating to the Falkland Islands,

(e) any other purpose which the Governor considers proper,

and the Governor shall state the reasons for his opinion in any notice of his opinion served in pursuance of paragraph 4 of this Schedule, except that the Governor is not obliged to state any reason for his opinion which, after consultation with the Secretary of State and acting in accordance with such advice as the Secretary of State then gives to him, the Governor considers that it would be contrary to the national interest to state.

7. When the Governor -

(a) is satisfied that the applicant for a works authorisation has complied with his obligation under paragraph 3 of this Schedule;

(b) has considered any representations relating to the application which were made to the Governor within the period specified in the notice published in accordance with sub-paragraph (a) of paragraph 3 to this Schedule (and, where a hearing has taken place in accordance with paragraph 5, conducted by a person or persons appointed by the Governor to receive oral representations, has also considered the report with relation thereto of the person or persons so appointed)

the Governor shall -

(i) decide whether to issue an authorisation; and

(ii) publish his decision in accordance with paragraph 8.

8.(1) Where the Governor has decided not to issue a works authorisation -

(a) the Governor shall serve a notice stating his decision on the applicant and on each person upon whom he directed a copy of the notice of the application to be served; and

(b) in the notice to the applicant stating his decision, the Governor shall also state the reason for it, except that the Governor need not state any reason which, after consultation with the Secretary of State and acting in accordance with his advice, he considers if would be contrary to the national interest to state.

(2) Where the Governor has decided to issue a works authorisation -

(a) the Governor shall serve a notice stating his decision -

(i) on the applicant, and

(ii) on each person who made representations to which sub-paragraph (b) of paragraph 8 of this Schedule relates;

(b) the Governor shall publish a copy of the notice in the Gazette and in any other publications (including the London Gazette) he considers appropriate.

9. When the Governor issues a works authorisation he shall -

(a) serve on the persons (excepting the applicant) on whom notice of his decision to issue a works authorisation is required to be served by paragraph 8(2) of this Schedule, a further notice -

(i) stating that he has issued the authorisation;

(ii) stating the name and address of the person to whom it was issued;

- (iii) stating such particulars as the Governor considers appropriate of the route of the pipe-line, the authorised capacity of it, the things authorised to be conveyed by it and the persons authorised to use it, and
 - (iv) containing such other information about the pipe-line (if any) as the Governor considers appropriate; and
- (b) publish a copy of the notice served in pursuance of sub-paragraph (a) of this paragraph in the Gazette and in any other publications (including the London Gazette) he considers appropriate.

PART II

OTHER AUTHORISATIONS

10. When the Governor issues an authorisation other than a works authorisation he shall publish in the Gazette and in any other publications (including the London Gazette) he considers appropriate a notice -

- (a) stating that the authorisation has been issued;
- (b) stating the name and address of the person to whom it has been issued; and
- (c) containing such other information (if any) about the pipe-line as the Governor considers appropriate.

SCHEDULE 4 (Section 64(6))

ENVIRONMENTAL IMPACT ASSESSMENTS AND ENVIRONMENTAL IMPACT STATEMENTS

1. An environmental impact assessment or statement comprises a document or series of documents providing, so as to assist the Governor to assess the likely impact upon the environment of the development proposed to be carried out, the information specified in paragraph 2 of this Schedule ("the specified information").

2. The specified information is -

- (a) a description of the development proposed comprising information about the site or location and the design and size or scale of the development;
- (b) the data necessary to identify and assess the main effects which the development is likely to have on the environment;
- (c) a description of the likely significant effect, direct and indirect, on the environment of the development, explained by reference to its possible impact on such of the following as, in the circumstances of the case, are relevant -

human beings;
 flora (marine and terrestrial);
 fauna (marine and terrestrial);
 the seabed and subsoil;
 the soil;
 water (salt or fresh);
 the atmosphere and the quality of the air;
 climate;
 the seascape or landscape;
 the inter-action between any of the foregoing;
 material assets;
 the cultural heritage;

(d) where significant effects are identified with respect to any of the foregoing, a description of the measures envisaged in order to avoid, reduce or remedy those effects; and

(e) a summary in non-technical language of the information specified above.

3. An environmental impact assessment or statement may (and if the Governor so requires shall) include by way of explanation or amplification of any specified information, further information on any of the following matters -

(a) the physical characteristics of the proposed development, and the land-use requirements during the construction stage;

(b) the main characteristics of the production processes proposed, including the nature and quality of the materials to be used;

(c) the estimated type and quantity of any expected residues and emissions (including pollutants of water, air or soil and "greenhouse gases", and including noise, vibration, light heat and radiation) resulting from the proposed development when in operation;

(d) in the case of an environmental impact statement (in outline) the main alternatives (if any) studied by the applicant and an indication of the main reasons for choosing the development proposed, taking into account the environmental effects;

(e) the likely significant direct and indirect effects on the environment of the development proposed, which may result from -

(i) the use of natural resources;

(ii) any emission of pollutants, creation of nuisances, or elimination of waste;

(f) the forecasting methods used to assess any effect on the environment about which information is given under sub-paragraph (e); and

(g) any difficulties, such as technical deficiencies or lack of know-how, encountered in compiling any specified information,

and for the purposes of sub-paragraph (e) of this paragraph, "effects" includes secondary, cumulative, short, medium and long-term, permanent, temporary, positive and negative effects.

4. Where further information is included in an environmental statement pursuant to paragraph 3 above, a non-technical summary of that information shall also be provided.
