

Weather for May

Ross Road,
Stanley

The weather data below have been taken from the automatic weather station attached to the customs building on Ross Road.

Rainfall

75.6 mm

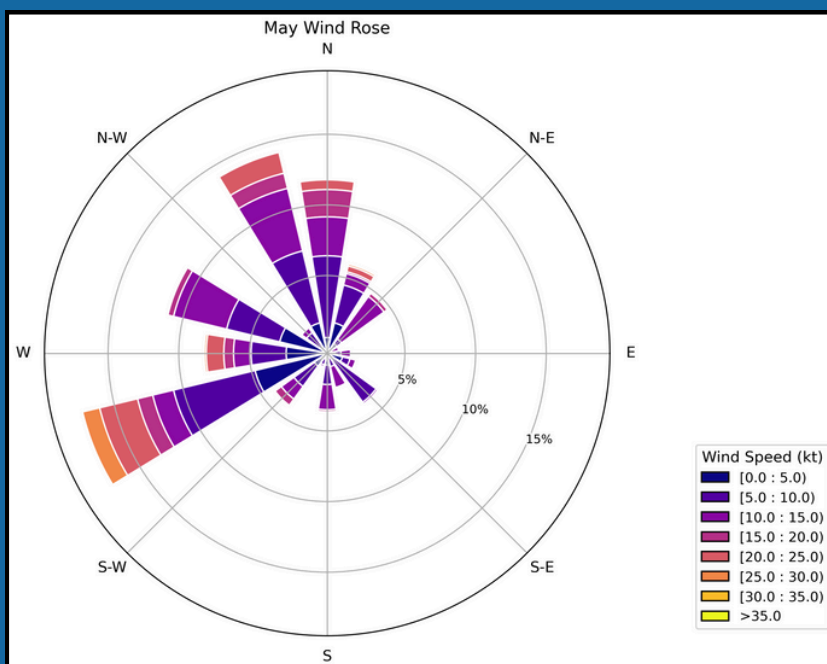

Average
Temperature
5.7 °C

Maximum
Temperature
10.8 °C

Average
Wind Speed
9.0 Kts

Average
Wind Direction
WSW

Minimum
Temperature
-0.1 °C

In this example, the main wind direction was WSW 17% of the time and was NNW around 14% of the time

The wind rose shows the general wind speed and direction for that month.

The circle represents the different directions, with a 'wedge' representing where the wind blew **from**.

The length of each wedge shows how often the wind blew from that direction.

The different colours indicate the different categories of speed.
